Impacts

As with all major infrastructure projects, surrounding communities may experience some impacts during construction. **Clayton shopping precinct remains open and accessible throughout these works.**

Please contact us on **1800 105 105** to discuss support available if you are impacted by our works.

How we will manage our works

— Maintaining access for emergency vehicles and buses at all times
— Maintaining access to homes and businesses
— Transporting materials from site in covered trucks to minimise dust
— Using water and dust suppressants
— Installing road safety and detour signage
— Pedestrian and cyclist detours in place.

Holiday shutdown

There will be no Suburban Rail Loop works during the holiday period from **Wednesday 23 December 2026 to Tuesday 12 January 2027** inclusive at Clayton.

Additional short-term traffic changes will be in place around Clayton as we complete site investigation works in the area.

Truck and heavy vehicle movements

There will be increased truck movements in the area as we continue to excavate the future station site, remove soil and deliver large equipment to the Clayton worksite. Soil removed from site will be safely transported to disposal locations in line with project and Environmental Protection Authority requirements.
