Works notification

Upcoming Freeway night works between Willsmere Road and Chandler Highway, Kew

November - December 2026

What we're doing

From 30 November for up to 2 weeks, we'll work at night under lane closures on the Eastern Freeway to remove sections of the existing road surface and complete temporary line marking.

From 8 to 10 December, the Chandler Highway citybound entry and exit ramps will also be closed as part of asphalt and pavement works.

Works include:

- lane closures along the Eastern Freeway citybound between Willsmere Road and Chandler Highway from 30 November for up to 2 weeks, between 8pm to 5am each night
- Chandler Highway citybound entry and exit ramp closures from 8 to 10 December from 9pm to 5am each night
- earthworks and use of machinery to remove a road surface layer in preparation for new asphalt on the freeway
- installing new asphalt on the citybound entry ramp
- cleaning and reinstating the works area and reopening traffic lanes at the end of each shift.

Where and when

Night works: 8pm to 5am from Monday to Friday

Eastern Freeway citybound between Willsmere Road and Chandler Highway

What to expect

During these works, you can expect low to moderate levels of noise, dust and vibration.
You may also notice asphalt odour at times.

Where possible we will complete noisier works earlier in the night.

Weather may affect our progress, and we'll notify of any schedule changes.

Managing impacts

We carefully manage our works in line with the project's strict Environmental Performance Requirements (EPRs) including:

- monitoring noise, dust and vibration levels with real-time electronic monitoring, ensuring compliance with the Environment Protection Authority (EPA) Victoria guidelines
- directing lighting away from residential properties
- using water carts and street sweepers to manage dust, mud tracking and road surface debris
- traffic management, signage and diversions in place to guide drivers, around the area during lane closures
