

Important information

Flood wall preparatory
works - extension

Childers Street, South Kensington

Wednesday 1 April - Thursday 2 April 2026

VICTORIA'S BIG BUILD

Preparatory works are being undertaken ahead of closing the open section of the flood wall on Childers Street, opposite JJ Holland Park, later this year.

When we'll be working

We'll be working on **Wednesday 1 April and Thursday 2 April 2026, 7am - 6pm.**

The timing of work may change depending on weather.

What we'll be doing

Further to our previous notification delivered on 14 March 2026, the flood wall works on Childers Street will be extended for an additional two days due to weather.

These activities require an excavator, non-destructive digging (NDD) machine and hand tools. These works are expected to generate low to medium levels of noise.

Shuttle flow arrangements will be in place opposite the flood wall opening on Childers Street, between Kensington Road and South Kensington Station during working hours. Six car parking spaces will be temporarily closed on the Kensington Road side of the flood wall opening.
