

## Works Notification

# Upcoming works on Ayr Street and Timber Ridge

We're upgrading the Eastern Freeway with new express lanes, new traffic management technology, Melbourne's first express busway and a seamless connection to North East Link.

## What we're doing

In late 2025, we upgraded the local water network by installing water mains in Ayr Street and Timber Ridge, Doncaster. From Wednesday, 15 April to Friday 17 April, we'll close sections of Ayr Street and Timber Ridge, during the day to complete road resurfacing and finishing works.

Access for residents will be maintained with traffic controllers in place to assist. There will be no on-street parking from 7am to 6pm while works take place within the closed road sections and along the bus detour route.

The Pressure Reducing Station worksite at Timber Ridge will remain closed while the project finalises construction and design details with the local water authority. We expect construction to restart in late April 2026.

### **There will be partial closures of Ayr Street at the following locations:**

- Between Norweena Street and Rhonda Street (the roundabout at Nola Street will remain open for detouring traffic)
- Intersection of Glenda Street and Ayr Street
- Between Willow Bend and Outhwaite Avenue (the roundabout at Willow Bend will remain open for detouring traffic)
- Between Parkview Place and Kingsnorth Street on Ayr Street
- Intersection of High Street and Ayr Street

**Timber Ridge will be closed between Ayr Street and just past Marilyn Street near the Pressure Reducing Station location.**

## Changes to bus route 280 and 282:

- During works, there will be temporary bus stop closures on Ayr Street between Norweena Street and Glenda Street
- Bus detours will be in place around local streets and will move as each closure area progresses. Buses will detour via Park Avenue, Outhwaite Avenue, Hillingdon Crescent, Glenda Street, Rhonda Street, Willow Bend, Tobruk Street and Westwood Drive.
- Signage will be installed at the closed bus stops to clearly advise bus patrons of the nearest bus stop.

## Where and when

 **Day works: 7am to 6pm Wednesday to Friday**

## What to expect

- Partial road closures and detours for motorists
- Pedestrian detours around worksites
- Resident access to properties will be maintained via local detours and traffic management
- Speed reductions on Ayr Street to 40km/hr
- Construction vehicles, machinery and workers in the area
- Medium levels of noise, dust and vibration from machinery and equipment

## Managing impacts

- Traffic controllers on site to manage access for residents locate within the partial closures
- Monitoring noise, dust and vibration levels with real time monitoring, when required

## Keeping in touch

We'll be out talking to nearby residents and businesses about these works in more detail, including how we'll be managing any local impacts. If you have any questions now, please contact the 24/7 Contact Centre on 1800 105 105.

Schedule is subject to change. Visit [bigbuild.vic.gov.au/works](https://bigbuild.vic.gov.au/works) for schedule changes.
