

Works Notification

Upcoming works at Burke Road Ringwood-bound exit ramp, Kew East

June 2026

We're upgrading the Eastern Freeway with smart technology, a new Eastern Busway, new and upgraded walking and cycling paths, and a connection to North East Link – slashing travel times and improving travel in Melbourne's east.

What we're doing

From **9pm Friday 26 June to 5am Monday 29 June** we'll close the Burke Road Ringwood-bound exit ramp to safely move traffic onto reconfigured lanes. This will create a safe work area to support construction of a new exit ramp, the Eastern Busway, express lanes, and a new walking and cycling underpass connecting to the Koonung Creek Trail.

Works include:

- Installing and adjusting temporary traffic barriers
- Removing the existing kerb and asphalt and installing new asphalt along the new exit ramp and connections
- Earthworks, pavement and drainage construction
- Installing underground cables for relocated traffic signals and lights
- Removing selected trees and vegetation under arborist supervision.

Where and when

 **24-hour day and night works from 9pm Friday 26 June to 5am Monday 29 June**
