How we will manage our works

We will minimise the impacts to the community by:

- Covering trucks to minimise dust
- Monitoring noise, dust and vibration levels
- Hoarding to minimise noise, dust and light spill
- Safely removing hazardous materials in accordance with regulations
- Using water and dust suppressants
- Maintaining access to homes and businesses
- Maintaining access to existing amenities while works are underway at Sir William Fry Reserve, including the existing skate park, basketball court and playground.
