SUBURBAN RAIL LOOP EAST

Glen Waverley works update

December 2026 and January 2027

Works are underway in Glen Waverley to deliver the Suburban Rail Loop (SRL) East.

What we are doing

Day works 7am – 6pm, Monday to Friday and 7am – 1pm Saturday

Extended works 6pm – 10pm Monday to Friday and 1pm – 10pm Saturday

The following works will be carried out during December 2026 and January 2027.

Where	When	What we are doing	What to expect
SRL worksite, Glen Waverley	Ongoing until mid 2027	— Installing fencing and hoarding — Excavation — Installing underground support structures — Safely removing hazardous material, if found	— Traffic management and pedestrian detours — Increased truck movements — Medium to high levels of noise, vibration and dust — Light spillage
Coleman Parade, Glen Waverley	Ongoing until mid December 2026	— Building a new walking and cycling path	— Footpath closure between Myrtle Street and Glen Waverley station until mid December — Traffic management and pedestrian detours in place, including arrangements for people requiring mobility assistance — Medium to high levels of noise, vibration and dust — Light spillage
Streets surrounding the SRL worksite	From early December to late December 2026	— Installation of long-term traffic signage	— Lane and footpath closures at times — Traffic management and pedestrian detours

Note: Timing of works may change due to weather or ground conditions.

Holiday shutdown

There will be no Suburban Rail Loop works during the holiday period from **Wednesday 23 December 2026 to Tuesday 12 January 2027** inclusive at Glen Waverley.

How we will manage our works

We will minimise impacts to the community by:

— Maintaining access to the Myrtle Street, Montclair Avenue and Bogong Avenue car parks
— Transporting materials from site in covered trucks to minimise dust
— Installing road safety and detour signage
— Maintaining access to homes and businesses
— Monitoring noise, dust and vibration levels
— Turning off equipment when not in use
— Using noise blankets on equipment
— Using water and dust suppressants
— Coordinating disruptions with other construction companies in the area
— Accessible shuttle available for those requiring mobility support while the Coleman Parade footpath is closed.

Impacts

As with all major infrastructure projects, surrounding communities may experience some impacts during construction. Please contact us on **1800 105 105** to discuss support available if you are impacted by our works.

There will continue to be large equipment and machinery delivered to and from the Glen Waverley worksite. Most deliveries can be moved on a normal truck load during the day, however there will be some oversized loads at night to reduce traffic impacts.
