# West Gate Tunnel Project (MTIA) Update

LIZ EVANS

# Community Involvement and Participation Plan

- SP5 of the Environmental Performance Requirements (EPR)
- *Develop and implement a Community Involvement and Participation Plan in consultation with Hobsons Bay City Council and Maribyrnong City Council and representatives of communities affected negatively by the impacts of the project, including Altona North, Brooklyn, South Kingsville, Spotswood and Yarraville, in order to improve community connectedness and cohesiveness*

# The CIPP

- The CIPP will be State funded and managed by West Gate Tunnel Project Major Transport Infrastructure Authority – WGTP MTIA.
- It will run over two financial years.
- There will be a grants component and partnerships component.
- Applications will be via the West Gate Tunnel Project website.

# Priority areas for the CIPP

Applications need to demonstrate outcomes for:

- Connectivity
- Health and wellbeing
- Innovation
- Environment and sustainability
- Mobility
- Leadership
- Learning
- Diversity
- Arts and culture
- Heritage

# Partnerships

- Funding will be available for community partnerships that deliver projects to improve community connectedness and cohesion in the municipalities of Hobsons Bay and Maribyrnong.
- Co-contribution funding will be considered favourably in the assessment process, in order to increase benefits to the community.
- Councils and incorporated groups within the local government areas of Maribyrnong City Council and Hobsons Bay City Council can apply.

# Community grants

To be eligible to apply for a grant, community groups/organisations must:

- Be based in the City of Maribyrnong or Hobsons Bay City Council or conduct activities that benefit members of these communities.
  - Be a not-for profit agency or incorporated association.
  - Have an Australian Business Number (ABN).
  - Have public liability insurance (PLI).
  - Or have support from an auspice organisation.
- Funding will be provided to the successful applicants by the State, WGTP MTIA, through the relevant councils.

# Assessment criteria

- Applications for Grants and Partnerships will be assessed on the capacity of the proposal to:
  - Improve community connectedness.
  - Improve community cohesiveness.
  - Meet a community need.
  - Be successfully delivered by the organisation.
  - Be completed by opening of the project.

# Other State funding

- **City of Melbourne:** A contribution of up to \$50 million to Transport network improvements in North and West Melbourne, Footscray and the Arden Street precinct (matched with up to \$50 million from City of Melbourne).
- **Maribyrnong City Council:** A contribution of up to \$6 million to upgrade the Footscray Wharf and Promenade (conditional upon a \$6 million Maribyrnong council contribution).
- **Hobsons Bay City Council:** A contribution up \$5 million to deliver a package of capital improvements to sporting facilities and recreational projects.
