

10 March 2022

Elevated Road Works on Footscray Road

Nightly works to install bridge segments to form the new Footscray Road elevated roadway will take place between Friday 25 March and Sunday 27 March 2022, 9:00pm to 5am.

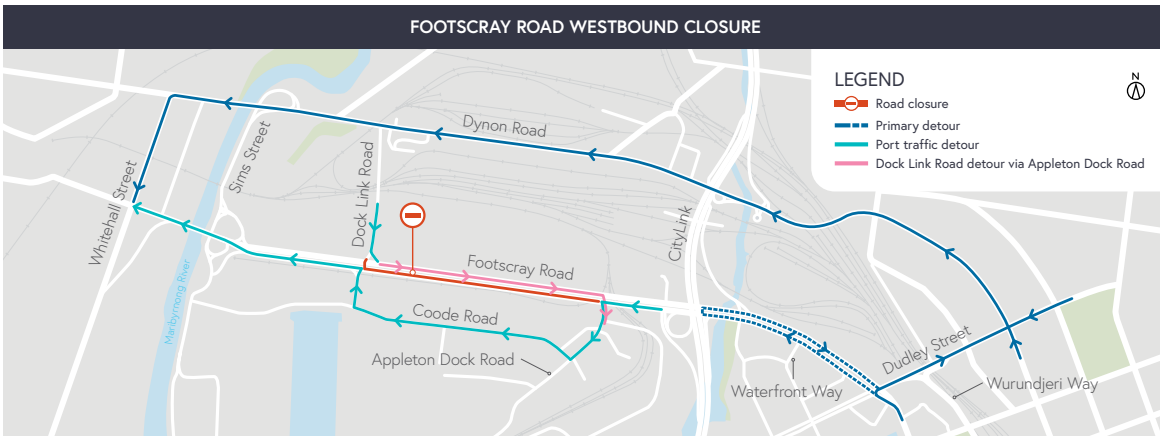

Nightly overnight westbound carriageway and Dock Link Road closures will be required on Footscray Road between Dock Link Road and Appleton Dock Road, so a detour will be in place while we complete the works.

Eastbound (citybound) lanes will remain unaffected.

What to expect:

	Impact	Date
	Westbound lanes closed between Dock Link Road and Appleton Dock Road. <i>Detours will be in place (please see included map).</i>	25 March - 27 March, 9:00pm to 5am
	Occasional noise during the day and night. <i>We don't expect noise to be disruptive.</i>	25 March - 27 March, 9:00pm to 5am
	Occasional nightwork lighting. <i>Lighting will be angled away from residences wherever possible during nightworks.</i>	25 March - 27 March, 9:00pm to 5am

These works have been planned at night for safety reasons and to minimise any impacts on the local community and motorists.

Hours of work

The works will be completed intermittently nightly between Friday 25 March and Sunday 27 March 2022, 9:00pm to 5:00am.

If the weather is poor, or there are any unexpected events, we may need to reschedule.

Thank you

We appreciate our work can be disruptive and thank you for your understanding.

To learn more about the impacts, or if you have any questions, please give the team a call on **1800 105 105** or email us on **info@wgta.vic.gov.au**
