

14 October 2022

Footscray Road closures – October

What is happening?

Work is continuing along Footscray Road to build a new elevated road and veloway for the West Gate Tunnel Project. Following earlier work, a second batch of large steel beams will be delivered to our work site, requiring the use of oversized vehicles. We need a combination of eastbound and full closures of Footscray Road to safely deliver and install the beams.

Once in place, these beams will span Footscray Road to support the new elevated road.

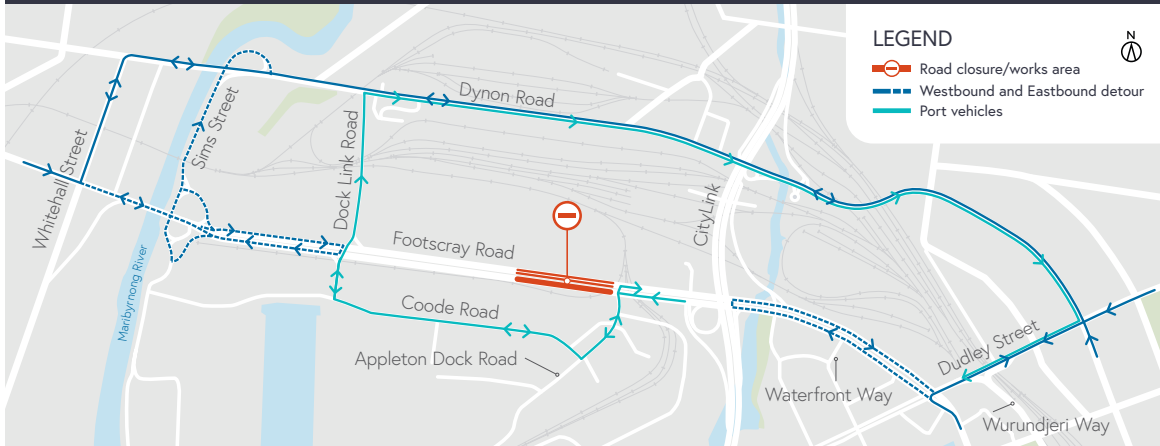

What to expect and when

From Wednesday 19 October through to Monday 24 October 2022, eastbound and full road closures of Footscray Road will be required periodically for the installation of the second batch of steel beams along Footscray Road, between Dock Link Road and Appleton Dock Road.

Detour options are listed overleaf and there will be VMS messaging and on-road signage to guide road users during the closures.

	Impact	Date
	Occasional noise during the day and night <i>We don't expect noise to be disruptive</i>	8pm Wednesday 19 October to 5pm Monday 24 October 2022
	Overnight eastbound carriageway closure of Footscray Road between Dock Link Road and Appleton Dock Road	Wednesday 19 October to Thursday 20 October 2022 8pm – 5am
	Full weekend continuous closure of both the east and westbound carriageway of Footscray Road between Dock Link Road and Appleton Dock Road	8pm Friday 21 October to 5am Monday 24 October 2022
	<i>Detours will be in place (please see included map).</i>	

FOOTSCRAY ROAD – EASTBOUND, WESTBOUND AND FULL ROAD CLOSURES

Thank you

We appreciate our work can be disruptive and thank you for your understanding.

Works may be rescheduled in the event of unexpected impacts. For up-to-date information on the closures please visit bigbuild.vic.gov.au/wgtp-disruptions

We thank you for your continued patience and understanding as we complete these works.
