

Works notice

Road resurfacing works

Flinders Lane

Tuesday 14 May and Wednesday 15 May 2024

Please be advised that night works will take place on Tuesday 14 May and Wednesday 15 May, to resurface Flinders Lane between Swanston Street and Royston Place.

When we'll be working

We'll be working **Tuesday 14 May** and **Wednesday 15 May 2024**. Work hours are **8pm to 6am** each night.

The timing of work may change depending on weather.

What to be aware of

- The road surface on Flinders Lane between Swanston Street and Royston Place will be re-asphalted for one night from 8pm Tuesday 14 May to 6am Wednesday 15 May

- These works will include the use of a road profiler to remove the existing asphalt and then relaying new asphalt
- Works will then take place to line mark the resurfaced section of road from 8pm Wednesday 15 May to 6am Thursday 16 May
- These works will generate some periods of high level noise and some vibration throughout the night
- During both nights, Flinders Lane will be closed to through traffic between Russell and Elizabeth streets from 8pm to 6am
- Local access to residential buildings and businesses will be maintained via traffic control at Russell and Elizabeth streets
- The northern footpath on Flinders Lane will be closed to pedestrians between Degraeves and Swanston streets
- Access to Manchester Lane will be via Collins Street during these works
- Access to and from Monaghan Place will be via Swanston Street
- These works need to take place at night due to the impact on roads and footpaths.

Where

- Flinders Lane between Swanston Street and Royston Place.

Service investigation works

Flinders Street

Monday 20 May to Thursday 23 May 2024

Please be advised that night works will take place from Monday 20 May for up to four nights to undertake service investigation works within the westbound lane of Flinders Street.

When we'll be working

We'll be working **Monday 20 May** to **Thursday 23 May 2024**. Work hours are **8pm to 6am** each night.

The timing of work may change depending on weather.

What to be aware of

- These works will include the use of a non-destructive digging truck and road saws and will generate some high level noise throughout the night
- A full closure of Flinders Street westbound between Swanston and Elizabeth streets will be required while the works take place
- Motorists and cyclists will need to detour via Russell and Collins streets

- There will be no impact to access of the Flinders Street tram stop.

Where

- Flinders Street westbound between Swanston and Elizabeth streets.
