

PROJECT OVERVIEW

BARWON HEADS ROAD UPGRADE – STAGE 2

We're upgrading Barwon Heads Road to improve safety, increase the capacity of the road, make your journey more reliable and make it easier to walk and cycle in the area.

As part of this upgrade, we will:

- add new lanes on Barwon Heads Road between Reserve Road in Charlemont and Lake Road in Armstrong Creek
- upgrade intersections at Warralily Boulevard, Central Boulevard and Precinct Road
- install new traffic lights at Newport Drive and Boundary Road
- install new pedestrian crossings with traffic lights
- build new shared walking and cycling paths and dedicated on road cycling lanes
- install new street lighting, road signage, drainage and landscaping.

Once complete, the upgrade will:

- build on the benefits resulting from the upgrade of Barwon Heads Road between Settlement and Reserve roads (completed mid 2023)
- cater for up to 35,000 daily journeys by 2036
- improve traffic flow in the area and make your journey safer and more reliable
- improve access to public transport
- make it easier and safer to walk and cycle in the area.

Some of the project benefits include:

Improving traffic flow in the area

Making your journey safer and more reliable

Improving access to public transport
