

Works notice

Crane removal under road and footpath closure

Little La Trobe Street

From 7am Wednesday 12 March until 7am Friday 14 March 2025

As previously advised in the State Library Station March construction update, works to remove a 50-tonne crane are required under a road and footpath closure of Little La Trobe Street, between Swanston Street and Baskerville Lane.

When we'll be working

- Crane removal under road and footpath closure from 7am Wednesday 12 March until 7am Friday 14 March or until the work is complete.

Where we'll be working

- Little La Trobe Street, between Swanston Street and Baskerville Lane.

What we'll be doing

- Simultaneously closing sections of the Little La Trobe Street northern and southern footpaths – between Swanston Street and Baskerville Lane – to remove a 50-tonne crane from the La Trobe Street site
- Installing protective plates on Little La Trobe Street, tracking the crane, and loading onto a truck, using a 250-tonne mobile crane on the road
- The removal of the crane will require the use of a flatbed truck outside of tram operating hours. These works will occur from 1am on Friday 14 March.

What to be aware of

- During this closure, access to Little La Trobe Street and Literature Lane will be maintained via Elizabeth Street
- Local vehicle access to businesses and residential buildings will be maintained at all times under traffic control
- There will be no through access on Little La Trobe Street from Swanston to Elizabeth streets for pedestrians, motorists, or cyclists during the road and footpath closure

- Pedestrian access to Scape will be maintained from Swanston Street only
- Pedestrian access to all other Little La Trobe Street businesses and residential properties will be via Baskerville Lane, Elizabeth Street, or A'Beckett Street using the walkway adjoining Literature Lane (see map)
- Please allow additional travel time during these works
- Some of these works will generate high levels of noise. Please contact the project team if you have any concerns.

Thank you for your patience while we undertake these works.
