Box Hill North, Blackburn North,
Doncaster, Doncaster East,
Donvale & Nunawading

Works Notification
July / August 2025

BIG BUILD
EASTERN FREEWAY

We're upgrading the Eastern Freeway with new express lanes, new Eastern Busway, smart technology and a connection to North East Link – slashing travel times and improving travel in Melbourne's east.

What we're doing

Over the coming months we'll carry out site investigations along the Eastern Freeway and in surrounding areas between Tram Road and Springvale Road to further inform our design, planning and construction staging.

We'll survey bridges, locate underground services and assess ground conditions. We'll do our work on the freeway at night to keep traffic moving freely during the day.

Where and when

🕒 **Day works** 7am to 6pm Monday to Friday and 7am to 1pm Saturdays

🌙 **Night works** 7pm to 6am from Monday to Friday

Schedule is subject to change.

Visit bigbuild.vic.gov.au/roads for schedule changes.

Keeping you up to date

We'll be out talking to nearby residents and businesses about these works in more detail, including how we'll be managing any local impacts.

Get in contact

If you have any questions, please contact the 24/7 Contact Centre on **1800 105 105** or to sign up to our email and SMS updates, visit bigbuild.vic.gov.au/projects/roads/email-and-sms-update

Have your say

In September 2025, we'll release the Urban Design and Landscape Plan for Tram to Springvale roads to seek feedback from the community. While we're refining the design in response to community feedback, we'll start to prepare areas for construction in late 2025.
