VICTORIA'S BIG BUILD

VICTORIA State Government

Where	When	What we are doing	What to expect
Nepean Highway and Service Road, Highett	Ongoing Intermittent until early 2027 Ongoing until early 2027	— Upgrading access points — Site investigations	— Changed traffic conditions on Nepean Highway and Service Road northbound, including road and lane closures at times — Car space closures on Nepean Highway Service Road northbound at times — Reduced speeds on Nepean Highway northbound between Southland and Remington Drive until February 2027 — Traffic management and pedestrian detours until early 2027 — Moderate levels of noise, vibration, light and dust — Increased truck movements
Station Street, Highett	Ongoing until early 2027	— Building permanent fencing — Building new active recreation spaces	— Road and footpath closures on View Street at times — Traffic management and pedestrian detours — Increased truck movements to support construction of building new Station Street public open space

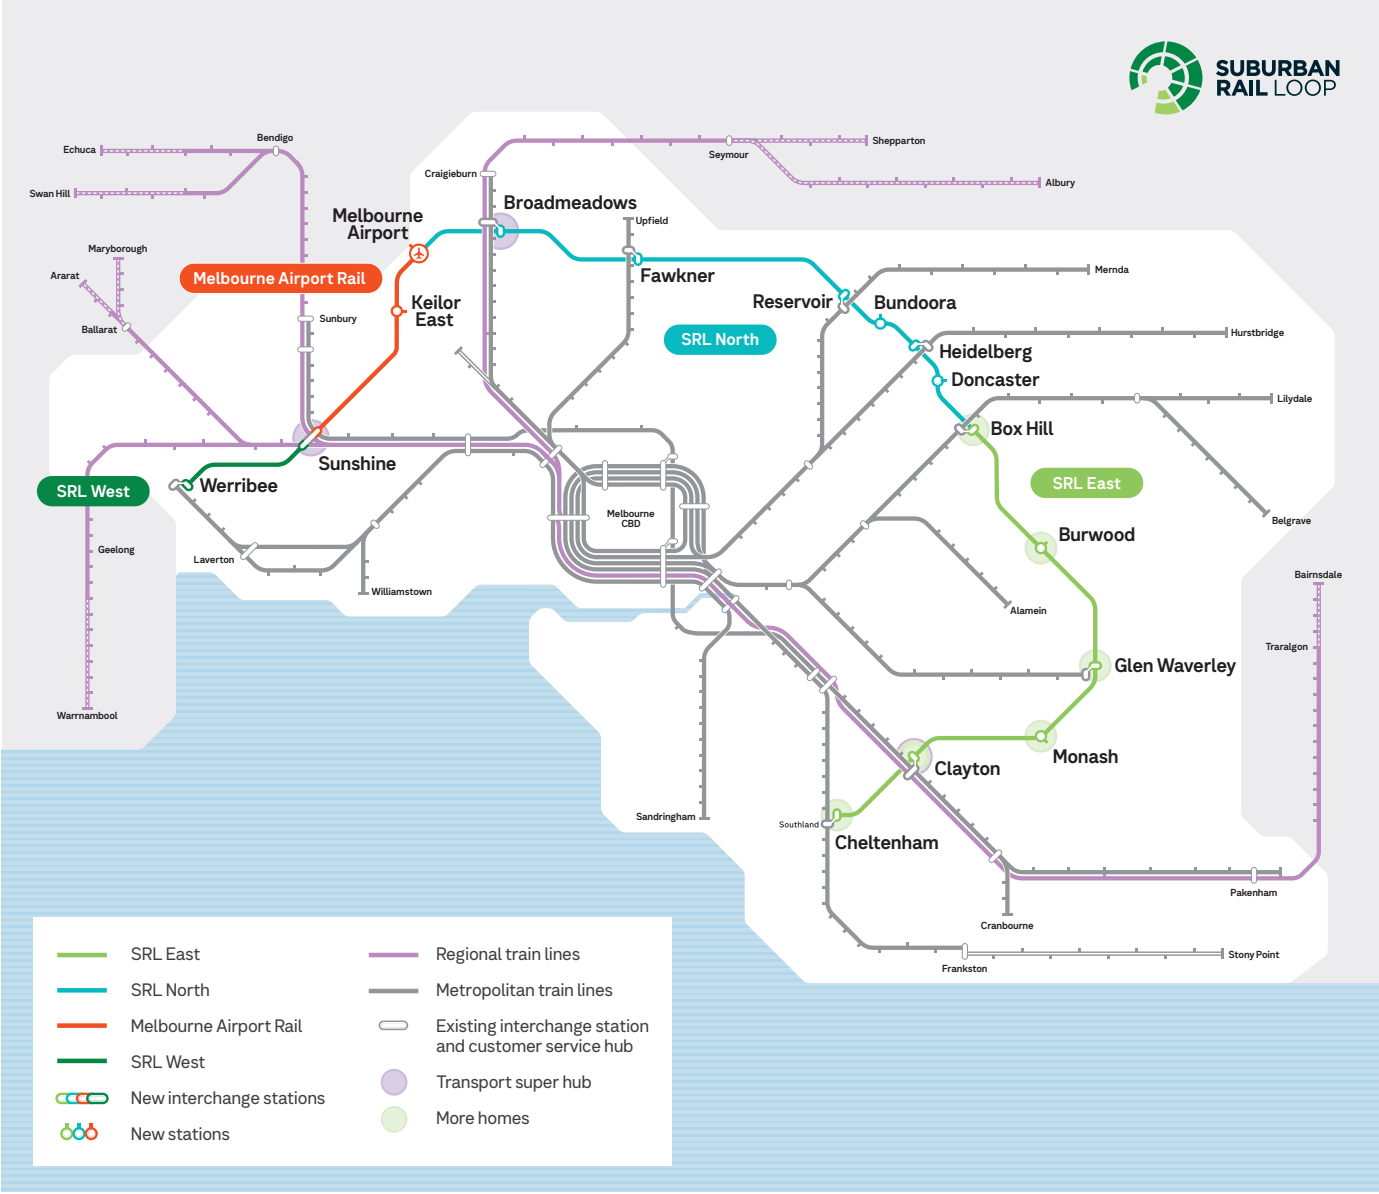

How we will manage our works

We will minimise the impacts to the community by:

- Covering trucks to minimise dust
- Monitoring noise, dust and vibration levels
- Hoarding to minimise noise, dust and light spill
- Safely removing hazardous materials in accordance with regulations
- Using water and dust suppressants
- Maintaining access to homes and businesses
- Maintaining access to existing amenities while works are underway at Sir William Fry Reserve, including the existing skate park, basketball court and playground.

Traffic disruptions are subject to change due to conditions outside of our control, please visit **bigbuild.vic.gov.au/disruptions** to get the latest available information.
