Monash works update

December 2026 and January 2027

Works are underway in Monash to deliver the Suburban Rail Loop (SRL) East.

What we are doing

Day works
7am – 6pm Monday to Friday and 7am – 1pm Saturday

24-hour works
Monday to Sunday

The following works will be carried out during December 2026 and January 2027.

Where	When	What we are doing	What to expect
SRL worksite, Howleys Road, Notting Hill	24 Ongoing	— Site establishment — Site investigations — Safe removal of hazardous material, if found — Preparing the station site for excavation — Installing large equipment — Installing steel strutting — Ground improvement works, including jet grouting — Excavating the station site	— Overnight deliveries at times — Increased truck and heavy vehicle movements — Moderate levels of noise, vibration and dust
Howleys Road, Notting Hill	Ongoing	— Site investigations — Site maintenance — Road modifications	— Changed traffic conditions including lane and road closures at times — Traffic management and pedestrian detours — Moderate levels of noise, vibration and dust — Increased truck and heavy vehicle movements — On-street car park closures
Normanby Road, Notting Hill	Ongoing	— Site establishment — Site maintenance — Road modifications	— Changed traffic conditions including lane and road closures at times — Pedestrian detours

Holiday shutdown

There will be no Suburban Rail Loop works during the holiday period from **Wednesday 23 December 2026 to Tuesday 12 January 2027** inclusive at Monash.

Impacts

As with all major infrastructure projects, surrounding communities may experience some impacts during construction.

Please contact us on **1800 105 105** to discuss support available if you are impacted by our works.

Oversized deliveries

There will continue to be large equipment and machinery delivered to the Monash worksite. Most deliveries can be moved on a normal truck load during the day, however there will be some oversize loads delivered and unloaded at night to reduce traffic impacts.

Traffic disruptions are subject to change due to conditions outside of our control, please visit **bigbuild.vic.gov.au/disruptions** to get the latest available information.

How we will manage our works

We will minimise impacts to the community by:

- Maintaining access to businesses during businesses hours, with help from traffic controllers where required
- Staging works along Howleys Road and Normanby Road to minimise traffic disruption
- Installing road safety and detour signage
- Notifying bus stop disruptions at the impacted stops ahead of time
- Transporting materials from site in covered trucks to minimise dust
- Positioning equipment as far as possible from businesses and residents and turning it off when not in use
- Safely removing hazardous materials in accordance with regulations
- Monitoring noise, dust and vibration levels.

Thank you for your patience and cooperation as we progress the delivery of SRL East at Monash.
