West Gate Tunnel Project (MTIA) Update

MIKELL BORG

Introducing...

West Gate Neighbourhood Fund

- SP5 of the Environmental Performance Requirements (EPR)
- *Develop and implement a Community Involvement and Participation Plan in consultation with Hobsons Bay City Council and Maribyrnong City Council and representatives of communities affected negatively by the impacts of the project, including Altona North, Brooklyn, South Kingsville, Spotswood and Yarraville, in order to improve community connectedness and cohesiveness*

The West Gate Neighbourhood Fund

- **\$10 million** through grants and partnerships.
- The West Gate Neighbourhood Fund will be State funded and managed by West Gate Tunnel Project Major Transport Infrastructure Authority – WGTP MTIA.
- It will run over two financial years.
- Applications will be via the West Gate Tunnel Project website.

Priority areas for the Fund

Applications need to demonstrate outcomes for:

- Connectivity
- Health and wellbeing
- Innovation
- Environment and sustainability
- Mobility
- Leadership
- Learning
- Diversity
- Arts and culture
- Heritage

Partnerships

- Upwards of \$100,000 per partnership will be available to deliver projects to improve community connectedness and cohesion in the municipalities of Hobsons Bay and Maribyrnong.
- Co-contribution funding and in-kind contributions will be considered favourably in the assessment process, in order to increase benefits to the community.
- Councils and incorporated groups within the local government areas of Maribyrnong City Council and Hobsons Bay City Council can apply.

Community grants

The grants stream will launch in late 2019 or early 2020 and will comprise three streams of funding:

- Connecting community grants – small projects and activities which improve community connectedness
- Activating community grants – space activation and events
- Transforming community grants – community, sporting, and recreation facilities

Community grants

To be eligible to apply for a grant, community groups/organisations must:

- Be based in the City of Maribyrnong or Hobsons Bay City Council or conduct activities that benefit members of these communities.
 - Be a not-for profit agency or incorporated association.
 - Have an Australian Business Number (ABN).
 - Have public liability insurance (PLI).
 - Or have support from an auspice organisation.
- Funding will be provided to the successful applicants by the State, WGTP MTIA, through the relevant councils.

Assessment criteria

- Applications for Grants and Partnerships will be assessed on the capacity of the proposal to:
 - Improve community connectedness.
 - Improve community cohesiveness.
 - Meet a community need.
 - Be successfully delivered by the organisation.
 - Be completed by the end of 2022.

Other West Gate Tunnel Project funding

- **Hobsons Bay City Council:** State funding of \$5 million to deliver a package of capital improvements to sporting facilities and recreational projects.
- **Maribyrnong City Council:** State funding of \$6 million to upgrade the Footscray Wharf and Promenade.
