Say hello to your new Greensborough College sports facilities

New sports facilities will keep sports clubs playing and thriving while North East Link is built.

A new pavilion, natural turf AFL/cricket oval, synthetic soccer pitch, scoreboards, field lighting and practice cricket nets are now ready for local clubs and Greensborough College students.

The upgraded grounds are ready to welcome Watsonia Heights Football Club, Macleod Junior Football Club, Macleod Cricket Club, St Mary's Greensborough Junior Football Club and St Mary's Football Club later this year.

The new facilities will also welcome back St Mary's Greensborough Junior Football Club who played their home games at Watsonia Tech (the former name of Greensborough College) when the club was first formed in 1973.

These upgrades are part of North East Link's \$68 million investment into local sports upgrades and was delivered in conjunction with the Victorian School Building Authority (VSBA).
