Night works

Site establishment on Bulleen Road, Bulleen

We're moving close to 100 above and underground services such as power, water, gas, sewer and telecommunications to make way for North East Link.

From **Monday 17 May** until **Friday 21 May 2021** CPB Contractors will establish a work site on the eastern side of Bulleen Road, south of Golden Way, Bulleen to support the construction of the Yarra East Main Sewer.

In the coming weeks, we will further engage with residents regarding other upcoming works in this area.

What we'll be doing

Works will include:

- Surveying and scanning the ground to locate services with handheld electronic equipment
- Using high-pressure water and a vacuum truck to carefully expose underground services and verify their location
- Installation of temporary safety fencing, traffic barriers and lighting
- Changes to line markings on Bulleen Road.

Long-term pedestrian and cyclist detour Bulleen Road

There will be long-term footpath and bike lane closure on Bulleen Road between Golden Way to Trinity Grammar School's Marles Playing Fields, from **Monday 17 May** until **late 2021**.

A pedestrian and cyclist detour will be in place diverting users along Golden Way, Rocklea Road, Barak Street and Thompsons Road.

Traffic management and appropriate signage will be in place to advise users of the closure and detour.

When are we working?

We will be undertaking these works from **7pm** to **6am** each night, Monday to Friday.

What to expect

During these works you may notice:

- Work crews in the area
- Noise from machinery and equipment, such as a vacuum truck, line marking machines, truck deliveries for barrier installation and light vehicles
- Southbound lane closure and speed reduction will be in place on Bulleen Road during these works.

Managing impacts

CPB Contractors are committed to minimising construction impacts for residents and the community and will implement mitigation measures where appropriate.

Our community engagement team will be onsite and available to assist residents during the works.

Safety is our priority and we ask for your assistance with obeying instructions and signage during the coronavirus pandemic.

The phasing of these works is indicative and subject to change within the times specified in the works notification.

We appreciate your patience and understanding throughout these works.

Health and safety

The health and safety of our workforce and community remains our top priority. Physical distancing measures are in place as well as increased hygiene practices. For more information about coronavirus (COVID-19) visit coronavirus.vic.gov.au
