

20/09/2021

Dear resident,

Craigieburn Road Upgrade: Craigieburn Road Service Road at Rayfield Avenue and Plumpton Avenue access changes

We're upgrading Craigieburn Road to help you get home safer and sooner.

As part of the project, we'll add extra lanes between Hume Highway and Mickleham Road as well as upgrading intersections and building better walking, cycling and public transport connections.

Changes to way you access local streets and service roads

To improve safety and traffic flow along Craigieburn Road we'll need to restrict where cars can turn right across multiple lanes to access driveways and local side roads. This means drivers will need to make a U-turn at dedicated locations to access certain streets and properties.

Access changes to Craigieburn Road Service Road at Rayfield Avenue and Plumpton Avenue

As part of the Upgrade, we'll permanently change the service road at Rayfield Avenue and Plumpton Avenue to left in and left out only.

To turn into Rayfield Avenue and Plumpton Avenue from Hume Highway, make a U-turn at the dedicated U-turn lane before the Bridgewater Road traffic lights, head east along Craigieburn Road and enter the service road just before Rayfield Avenue.

To head towards Mickleham Road either:

- turn left into Hanson Road and make a U-turn at the Craigieburn Plaza entrance. Then turn right from Hanson Road onto Craigieburn Road; or
- head east along Craigieburn Road and do a U-turn at the new Hardy Avenue traffic lights.

Timing

We'll implement temporary and permanent changes to access at different times during the project. Major construction is expected to start in September 2021, and we'll notify you before any changes are made.

Health and safety

Works on the Craigieburn Road Upgrade are progressing with strict COVIDSafe Plans in place. The health and safety of our workforce and community remains our top priority. For more information and advice about the coronavirus (COVID-19), please visit coronavirus.vic.gov.au

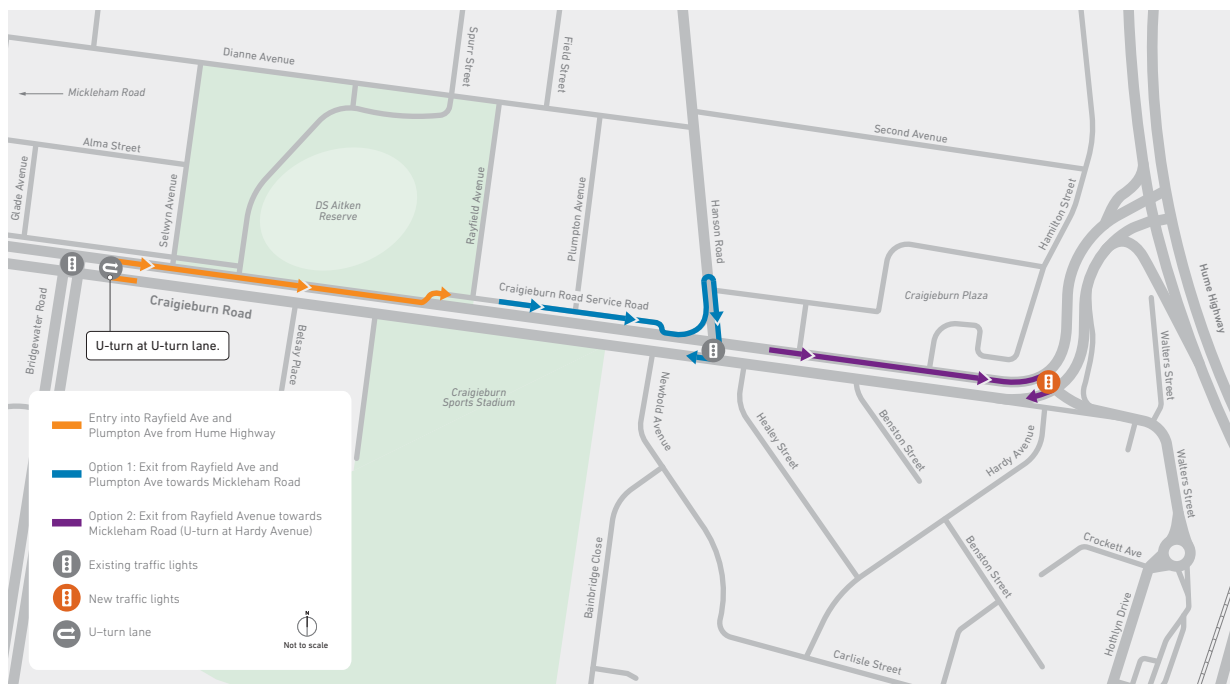

Contact us

To discuss these changes or for more information, contact us 24 hours a day, 7 days a week on **1800 105 105 (select option 5)** or email contact@roadprojects.vic.gov.au

We also encourage you to visit our website roadprojects.vic.gov.au/Craigieburn to subscribe to email and SMS updates.

Kind regards
