

West Gate Freeway works in Altona, Brooklyn and at Millers Road

From **early June 2022 until July 2023**, the West Gate Tunnel Project will carry out remaining works along freeway verges to reinstate roads and footpaths at the ends of local streets between Newport Rail and Grieve Parade.

Works will include landscaping, maintenance track and footpath construction, drainage, kerbing, barrier installation, road re-surfacing, asphaltting, freeway technology system works, rectification works, fencing, noise wall installation, the removal of temporary noise walls, demolition works and other minor works.

Works are also continuing in the Millers Road precinct – intermittent road, ramp and lane closures will be required at times. Sign up to the weekly traffic email for confirmed dates and times, see below for details.

What you need to know

	Impact	Dates <i>(subject to change)</i>
	Periodic closures of local roads and reduced availability of on-street parking on local roads between Newport Rail and Grieve Parade.	Early June 2022 until July 2023
	Freeway verge construction Construction noise, dust, truck movements on local roads and increased construction activity along freeway verges and at end of local streets between Grieve Parade and Cawley Road.	Early June 2022 until July 2023
	Temporary driveway access restrictions for households at the freeway end of local streets. <i>The project team will contact impacted households directly.</i>	Early June 2022 until July 2023
	Intermittent overnight closures of Millers Road underneath the West Gate Freeway, the Millers Road freeway ramps and lane closures on the freeway.	Ongoing until late-2022
	Millers Road construction activity – including intermittent night works. Construction activity will continue to take place overnight near Millers Road to reduce overall impact to the community.	Ongoing until late-2022

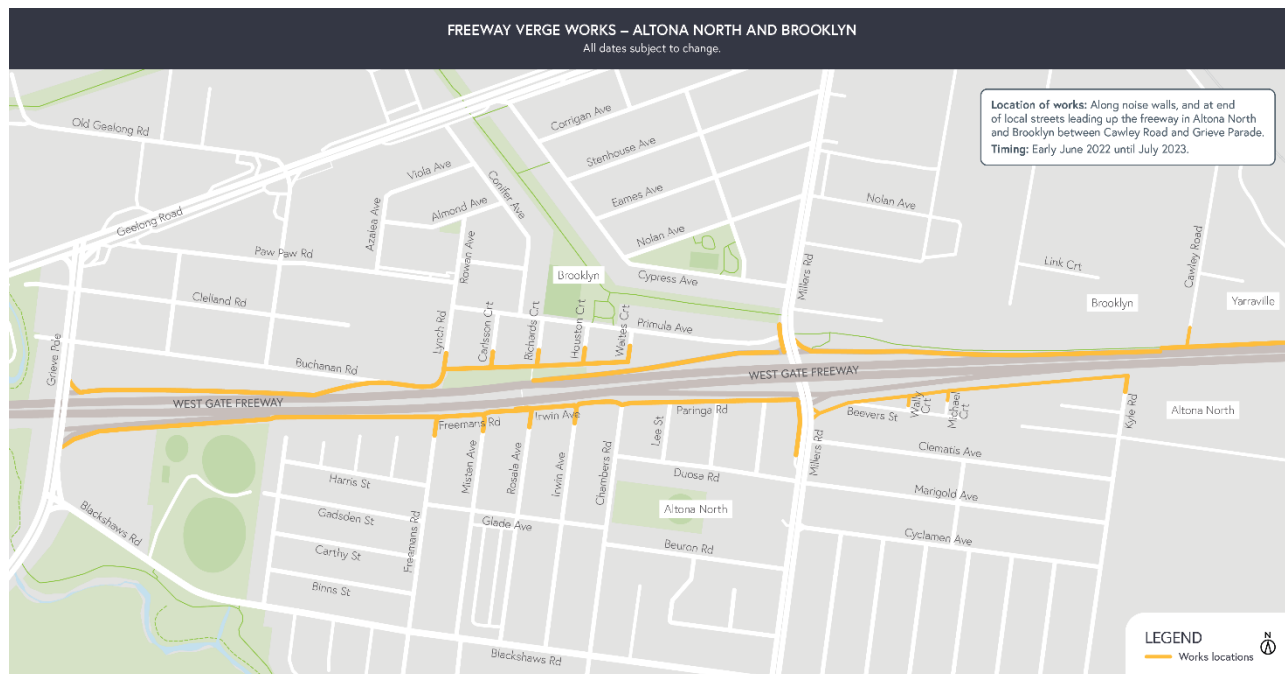

We need to close the freeway end of the following streets for short periods to complete these works:

Kyle Road, Michael Court, Wally Court, Beevers Street, Irwin Avenue, Rosala Avenue, Misten Court, Freemans Road, Buchanan Road, Lynch Road, Carlsson Court, Richards Court, Houston Court, Waites Court, Cawley Road.

We will send impacted residents a reminder at least five days before we start works when a required section of the road to be closed.

Driveway access will be restricted for a small number of households within the work areas. Details will be confirmed with these households directly.

Freeway verge works are scheduled to take place between 7am and 6pm, Monday to Saturday. Please note, works may be rescheduled, and dates are subject to change.

What you can expect during the works:

- Direct contact from the project team if there are changes to your driveway access, or if you are expected to be highly impacted by night time construction noise.
- Work completed behind safety barriers with construction vehicles accessing work areas.
- Increased construction activity and vehicles in the area.
- Access to households / pedestrian bridge will be maintained.
- Water-spray trucks and road sweepers used in the local streets around our worksites.
- Ongoing noise wall and freeway technology system works along the edges of the freeway – including overnight works.
