Upcoming Dynon Road Works

The West Gate Tunnel Project is continuing construction of the new Shared User Path (SUP) next to the Dynon Road Bridge and commencing work to widen the existing bridge.

What to expect and when

Over the next few weeks, works will be commencing underneath the Dynon Road bridge in the rail corridor with some night noise anticipated. Work activities include the delivery and use of a crane and other machinery to install concrete column segments, and the use of a roller.

These works will be occurring intermittently from Tuesday 7 June 2022 to Friday 29 July 2022.

	Impact	Date
	Noisy night-time works. <i>We expect noise to be at a low to medium level.</i>	7 June 2022 – 29 July 2022, 8pm to 5am
	Increased construction activity. <i>Construction activity including truck movements and potential dust in the area of Railway Place and Anderson Street.</i>	7 June 2022 – 29 July 2022, 8pm to 5am
	Vegetation removal within the work site.	From 7 June 2022

If the weather is poor, or there are any unexpected events, we may need to reschedule these works.

No works will be completed on weekends, public holidays, or Rostered Days Off (RDO).

Thank you

We appreciate our work can be disruptive and thank you for your understanding. Works may be rescheduled in the event of unexpected impacts.

We thank you for your patience and understanding as we complete these works.
