

Works Notification

Works happening in your area

Heatherton | January 2024 update

Works are underway in Heatherton to deliver Suburban Rail Loop (SRL) East for Melbourne and Victoria.

Works are continuing at Heatherton including site investigations, safe removal of hazardous materials, and construction of a tunnel access structure.

Day-time working hours have been extended to facilitate these works (approvals in place).

All timings are weather permitting.

OLD DANDENONG ROAD

Mid-January for up to two months

- Ongoing site investigations to locate underground services and assess ground conditions
- Installation of traffic barriers to create a safe working area
- Relocation of underground cables and traffic signals
- Removal of traffic barriers once works are complete
- Works will occur during day-time working hours.

217 KINGSTON ROAD

Mid-January to mid-2025

Works will be undertaken to construct a tunnel access structure, which is a large, ramp-shaped structure that will provide access for tunnel boring machines to construct the underground twin tunnels.

- Drilling into the ground and reinforcing with steel
- Installation of concrete wall panels to support the ground to allow for excavation of the tunnel access structure
- Works will occur during day-time working hours, with some night works to enable delivery of machinery to site.

217 KINGSTON ROAD

Throughout January

- Safe removal of hazardous materials
- Ongoing site investigations to locate underground services and assess ground conditions
- Works will occur during day-time working hours.

Day-time working hours

6am - 6pm, Monday to Friday

6am - 3pm, Saturday

Night-time working hours

6pm - 6am, Monday to Sunday

How we will manage our works

We will be using equipment that generates medium levels of noise, dust and vibration. We will minimise impacts to the community by:

- Positioning equipment as far as possible from residents and businesses
- Turning equipment off when not in use
- Using water carts onsite to minimise dust.

Noise impacts

As with all major infrastructure projects, surrounding communities may experience some impacts during construction.

The project will support businesses and residents to ensure people can continue to live, work, study and shop in their local community.

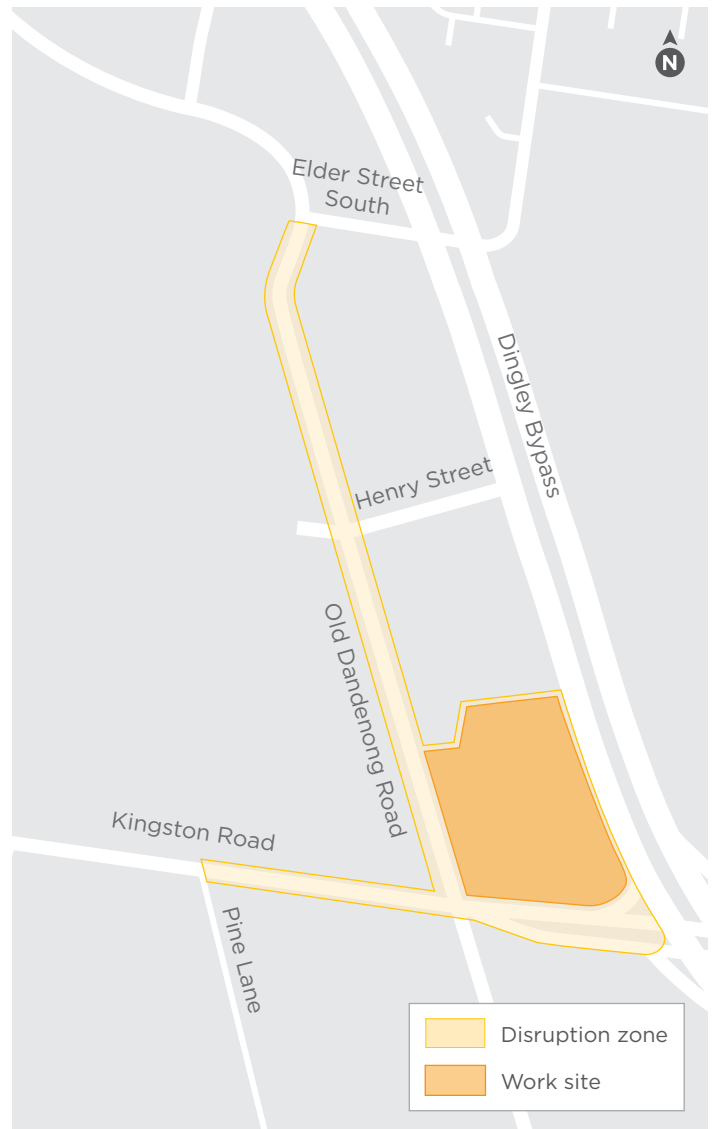

Please contact us on **1800 105 105** to discuss support available if you are impacted by our works.

Traffic changes

Traffic changes are needed to complete these works. Detours and reduced speed limits will be in place. Please follow all traffic signage. Vehicle and pedestrian access to homes and businesses will be maintained at all times.

Please see the table and map below for details of traffic changes in the area.

Location	Travel change
Old Dandenong Road	<p>Overnight road closure between Kingston Road and Elder Street South for up to four nights for traffic barrier installation and removal</p> <p>Changed traffic conditions during the day and overnight once barriers are installed, including:</p> <ul style="list-style-type: none"> – Road closed to northbound traffic – No right turn onto Kingston Road – No access across Kingston Road travelling southbound on Old Dandenong Road.
Kingston Road	<p>Changed traffic conditions during the day and overnight between Dingley Bypass and Pine Lane. Traffic maintained in both directions.</p>

Thank you for your patience and cooperation as we progress the delivery of SRL East

To receive SRL East works reminders via **SMS** simply text **HEATHERTON** to **0429 469 592**
