

Works Notification

Works happening in your area

Glen Waverley | March 2024

Works are continuing in Glen Waverley to deliver SRL East for Melbourne and Victoria, including a new underground train station connected to the existing station.

We're moving utilities on Coleman Parade in 2024.

We're also establishing a work site along Myrtle Street, between Coleman Parade and Montclair Avenue, to prepare for road realignment works. This will include installing fencing and timber hoarding, tree removal, levelling the ground and demolishing existing structures.

Works will begin on Coleman Parade and Myrtle Street from early March and will be carried out in stages, with ongoing road closures throughout 2024.

These works will be undertaken during day-time hours, with some night works required. Residents and traders will be notified of night works ahead of time.

Day-time working hours

7am - 6pm, Monday to Friday

7am - 5pm, Saturday

Night-time working hours

6pm - 7am, Monday to Sunday

COLEMAN PARADE

Mid-March until late-2024

- Moving utilities, including trenching and drilling activities
- On-street and commuter parking closures
- Changes to 737 bus route (visit ptv.vic.gov.au to plan your journey)
- Establishing temporary work site
- Tree and vegetation removal
- Kerb and asphaltting reinstatement
- Glendale Street car park will be accessible from Montclair Avenue
- Coleman Parade closed from mid-March to late-2024 (see over page for details).

MYRTLE STREET

Early-March until mid-2025

- Demolition of structures and service decommissioning
- On-street parking closures
- Installing temporary fencing and timber hoarding
- Tree and vegetation removal.

How we will manage our works

We will minimise impacts to the community by:

- Positioning equipment as far as possible from residents and businesses and turning off when not in use
- Implementing measures to minimise noise, dust and vibration impacts, including applying water during cutting and drilling, and street sweeping
- Monitoring noise, dust and vibration levels
- Coordinating disruptions with other construction in the area
- Installing road safety and detour signage.

Impacts

As with all major infrastructure projects, surrounding communities may experience some impacts during construction.

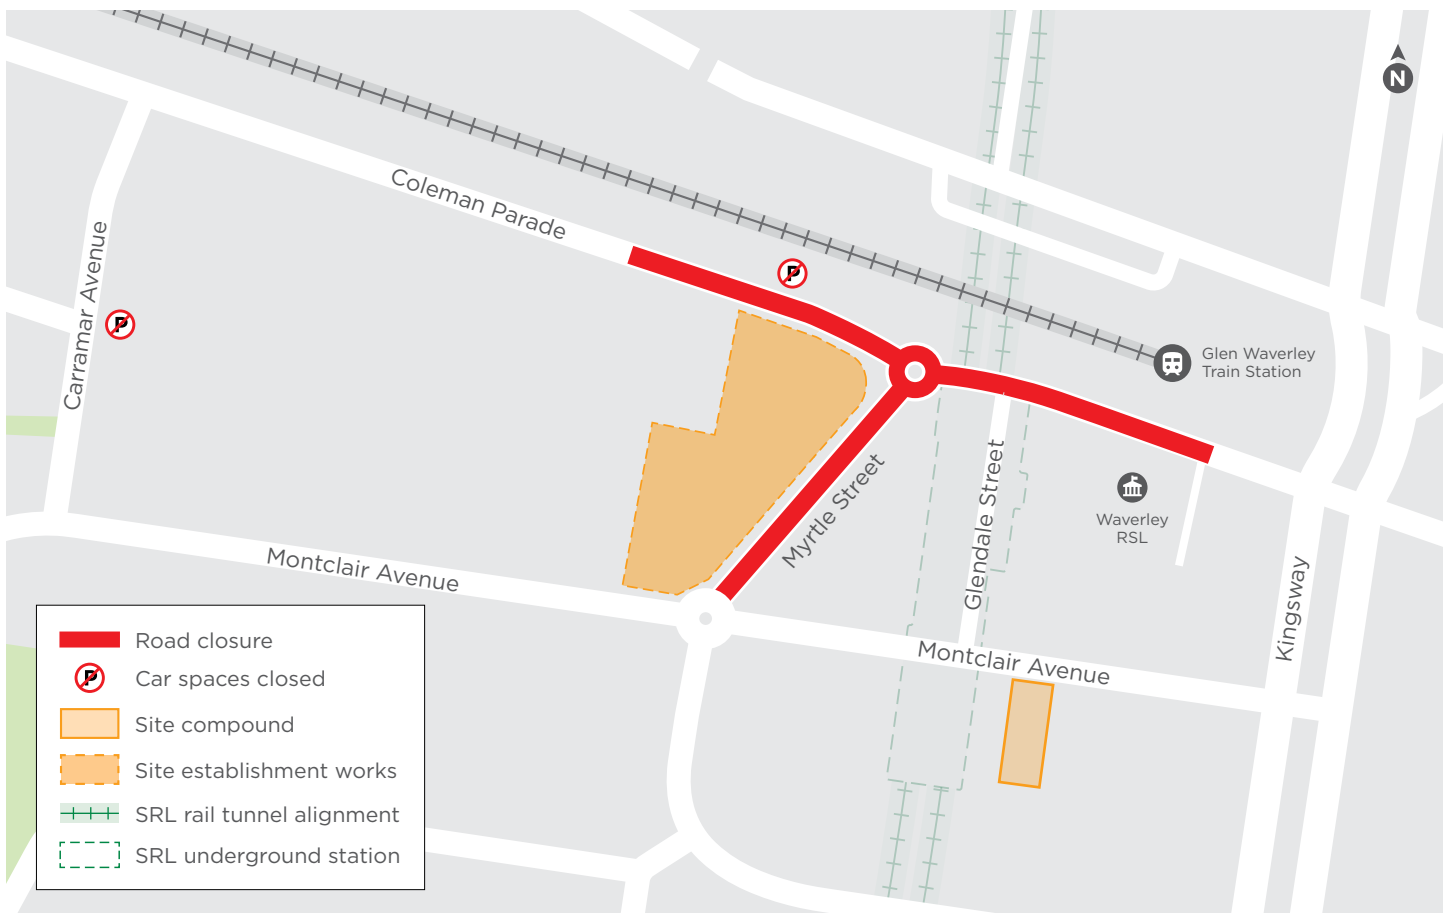

The project will support businesses and residents to ensure people can continue to live, work, study and shop in their local community.

Please contact us on **1800 105 105** to discuss support available if you are impacted by our works.

Traffic changes

Traffic changes are needed to undertake these works. Vehicle and pedestrian access to homes and businesses will be maintained at all times with help from traffic controllers when required.

Dates	Travel changes
Early-March until mid-2024	<p>Myrtle Street</p> <ul style="list-style-type: none"> — Road closure between Montclair Avenue and Coleman Parade — Traffic management and pedestrian detours
Mid-March until late-2024	<p>Coleman Parade</p> <ul style="list-style-type: none"> — Road closure east of Carramar Avenue to Kingsway — Closure of up to 60 commuter car spaces on the north side of Coleman Parade — Traffic management and pedestrian detours <p>Carramar Avenue</p> <ul style="list-style-type: none"> — Southbound on-street parking closures

Thank you for your patience and cooperation as we progress the delivery of SRL East and a new underground station at Glen Waverley

To receive SRL East works reminders via **SMS** simply text **GLEN WAVERLEY** to **0429 469 592**
