

Works Notification

JUNE 2024

Upcoming noisy works at the Grieve Parade ramp

When we'll be working

Overnight on **Thursday 20 June, 9pm to 5am.**

What we'll be doing

We will be completing foundation rectification works on the northern side of the West Gate Freeway at the **Grieve Parade inbound entry ramp**.

To complete these works, hydro demolition works (high pressure water demolition) are required for one night to remove concrete, before reinstating the foundation.

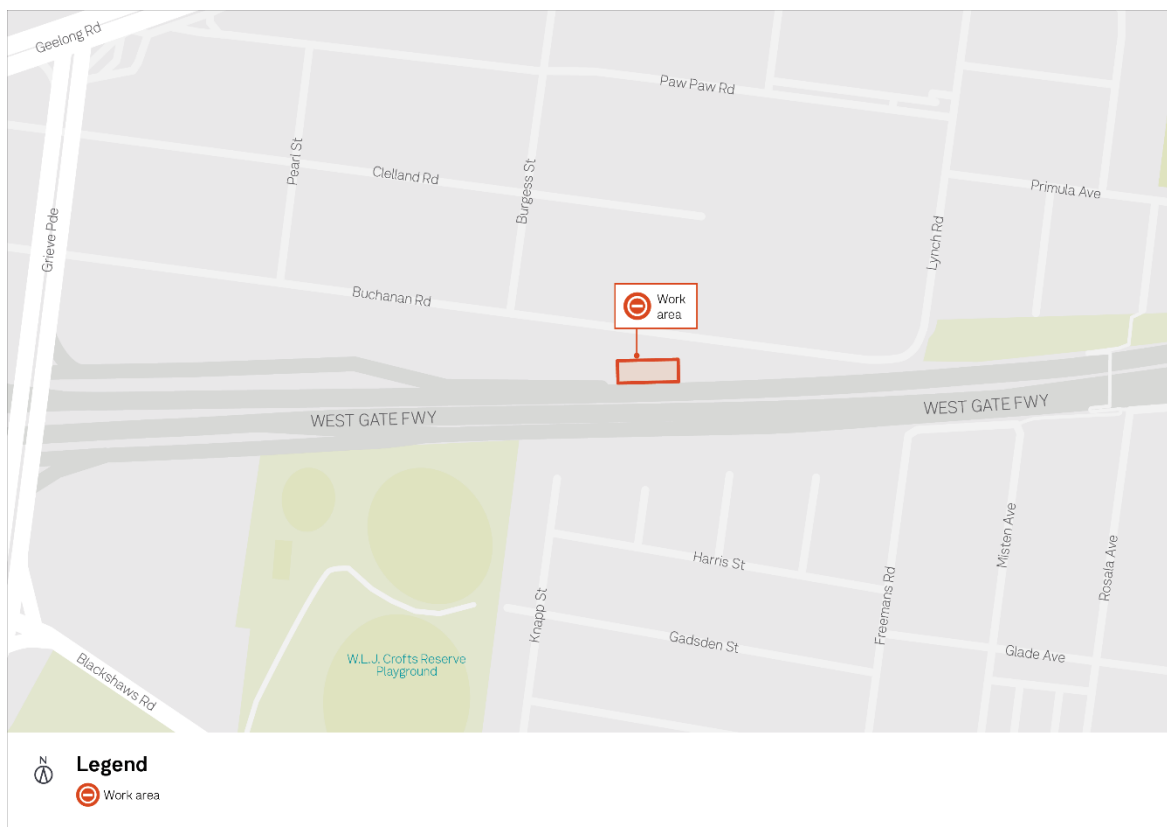

What to expect

Noise

- We expect these works to create noise. During this time, you may notice noise such as worker vehicles, power tools, general construction noise and the hydro demolition unit.
- We'll contact residents who are expected to be impacted.

We appreciate our work can be disruptive and thank you for your understanding.

These works are subject to approvals and change.
