# WORKS UPDATE: STATION CONSTRUCTION

## WORKS UPDATE STATION COMPLETION

- On Monday 9 September Premier Jacinta Allan announced the completion of works on Anzac Station
- This includes the station platform and concourse works
- Testing and commissioning works will continue within the station.

## WORKS UPDATE

### SMOKE TESTING

- Testing of the smoke extraction systems within the station took place on Monday 26 August
- The simulated smoke was successfully extracted from the station concourse and station platform.

## WORKS UPDATE

### SHRINE OF REMEMBRANCE ENTRANCE

- Retaining walls and stairs around the station forecourt are now poured
- Paving is now commencing around the station entrance along with cladding works
- The pedestrian connection up to Cobbers Memorial is now complete, along with the adjacent turf installation and tree planting.

## WORKS UPDATE

### ALBERT ROAD RESERVE STATION ENTRANCE

- Paving around the station entrance is nearing completion
- Bike hoop adjacent to the station entrance began to be installed last week
- The South African Soldiers' Memorial is now substantially complete with only minor detailing work remaining
- The final landscaping and planting work in Albert Reserve has now commenced
- The one-way connection between 1 Albert Road through to St Kilda Road is scheduled to open in late September
- Final asphaltting on Albert Road North will take place in late September/early-October, with the existing site gate closed.

## WORKS UPDATE

### DOMAIN ROAD AND EDMUND HERRING OVAL

- Domain Road is currently on schedule to reopen to traffic in mid-October
- Currently laying the final sections of the asphalt
- Final works are currently underway on the pedestrian footpath
- Landscaping is underway at Edmund Herring Oval with the installation of irrigation and reinstatement of the bluestone retaining wall.

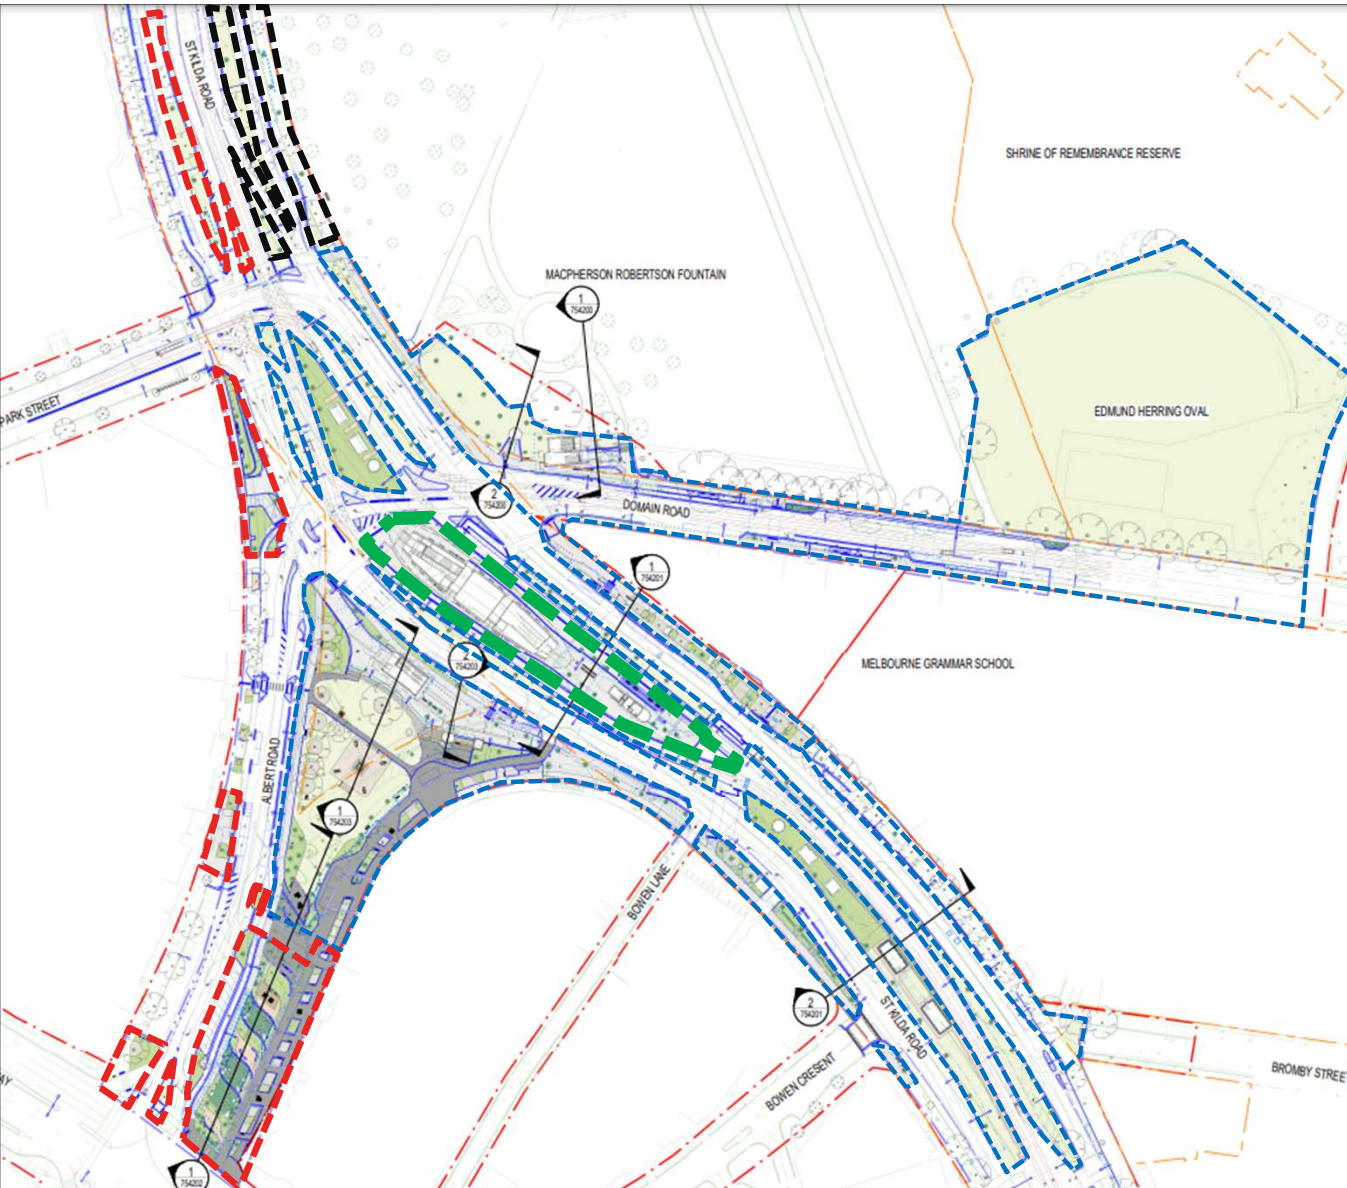

## WORKS UPDATE

### COMPLETION AND HANDOVER WORKS

- The parkland between Albert Reserve and Kings Way is now open to the public
- This area is now maintained by City of Port Phillip
- Work continues to finalise other areas of the project
- This includes works to adjust the soil levels in the garden bed in front of 400 St Kilda Road and installation of skate deterrents near Domain Hill and Hallmark.

# Maintenance responsibility September 2024
