Major construction on the South Geelong to Waurin Ponds Duplication is complete, with two dangerous level crossings removed and the rebuild of two stations for passengers on Victoria's busiest regional rail line.

Due to recent wet weather, the temporary closure of the bus loop at Marshall Station has been extended until **Thursday 19 December** to complete the asphalt works.

What we're doing

Further asphalt works will be occurring on the bus loop at Marshall Station, which is currently closed to buses. The loop will be reopened on **Thursday 19 December**.

Temporary bus stops will be in place on Marshalltown Road during this period. Refer to page 2 for a map.

What to expect

- On site works will occur on the bus loop Monday to Friday, 7am to 6pm with traffic management in place for the safety of workers and the public. The bus loop will remain closed at all times including weekends.
- Pedestrian access will be maintained at all times between the temporary bus stops on Marshalltown Road and the station.
- Please follow directional signage in place for the location of bus stops and safe entry and exit points to the station precinct.
