

Important information

Out of hours works

Rail access point, Willaton Street, St Albans

Saturday 15 August – Sunday 16 August 2026

VICTORIA'S BIG BUILD

As part of the Metro Tunnel Project, we will be temporarily using the rail access point at Willaton Street, St Albans as an access point for construction machinery to enter and exit the rail corridor between Saturday 15 August and Sunday 16 August 2026.

When we'll be working

We'll be working from **7am Saturday 15 August to 7pm Sunday 16 August 2026.**

The timing of work may change depending on weather.

What we'll be doing

We will be delivering equipment via the rail access point at Willaton Street, St Albans.

These activities are expected to generate low levels of noise.

Lights will be required while we use the access point. Where possible, they will be positioned to face away from residential properties.

To ensure the safety of passengers and our workers, the work activities can only be performed safely when trains are not operating.
