Works reminder – temporary driveway disruption

We're continuing to excavate the road along Fogarty Avenue to install a new drainage pipe and move some overhead power lines underground. As part of these works, vehicle access to some driveways will be temporarily disrupted.

Temporary disruption to your driveway access

Tuesday 5 March to Tuesday 26 March 2019

- **vehicle access to driveways along Fogarty Avenue between Deleware Street and Cranbrook Street will be temporarily blocked from Tuesday 5 March to Tuesday 26 March 2019;**
- footpath access to your property will remain;
- a local detour will be in place during this time;
- if you require your vehicle during this time, please ensure it is moved out of your driveway before your closure date; and
- parking along sections of Fogarty Avenue will also be temporarily unavailable during this time – please see the map over the page for location details.

If you require any assistance with carrying items to or from your vehicle, please ask one of our onsite team, they will be able to assist you.

When you need to move your vehicle:

- if you need access to your vehicle between Tuesday 5 March to Tuesday 26 March then please ensure your vehicle is moved out your driveway by 7am on Tuesday 5 March 2019.

Where to park your vehicle:

- it is recommended that you park your vehicle on either Deleware Street, Highgate Street or Cranbrook Street for the duration of these works; and
- ensure you do not park your vehicle on Fogarty Avenue between Deleware Street and Cranbrook Street during the times above. Access will be blocked and you will be unable to access your vehicle.

Waste collection:

- please place rubbish bins on the **west** side of Highgate Street. Bins placed on the east side of these streets may not be emptied – please see the map below for location details.

What you could expect:

- an increase in construction vehicles within the area;
- construction noise from rock breaking during excavation, use of machinery and trucks;
- you may notice localised dust and minor vibration during these works;

- water spray trucks will be used to help manage dust and dirt and truck loads covered when dirt and rock are being transported; and
- traffic changes will be required and signed detours will be in place – latest traffic updates are available at www.westgatetunnelproject.vic.gov.au/travel disruptions.

These works will generally be carried out from Monday to Friday between 7am - 6pm and Saturdays between 7am - 1pm.

When works are scheduled out of hours that may have a direct impact on you, we will provide further information to you before works start.

Please note that works may be rescheduled in the event of bad weather or other unavoidable circumstances.

For updates and more information about our works please visit westgatetunnel.vic.gov.au or contact us using the details below.
