

Important information

Car park extension open Tottenham Station

Friday 31 March 2023 until 2025

Melbourne Airport Rail is a transformational project connecting Melbourne Airport to Victoria's regional and metropolitan train network for the first time.

We've just completed construction of 300 additional car spaces north of Tottenham Station on Rupert Street.

Opening on Friday, 31 March 2023, the temporary car park provides alternative parking for commuters while car spaces at Sunshine and Albion stations are closed for Melbourne Airport Rail works. The temporary car park on Rupert Street will operate from **31 March until 2025**.

While the car spaces are now open, some minor works are continuing to create accessible car spaces.

What we are doing

Rupert Street

- Installing signage to direct commuters to park in designated parking bays.

Sunshine Road

- Creating nine additional temporary accessible car spaces in the Tottenham Station car park on Sunshine Road
- Closing 18 car spaces from 31 March to 6 April to create the accessible car spaces.

What to be aware of

- We've installed new lighting in the extended section of the carpark for the safety of commuters
- Additional traffic flow is expected on Rupert Street and the surrounding roads
- We'll monitor traffic flow, and measures will be put in place to manage pedestrians, vehicles and construction machinery using the car park

- We've put in place traffic management at the Sunshine Road car park to assist commuters around the station
- At times, the temporary carpark will also be used for material laydown and as a rail access point to support Melbourne Airport Rail works
- Additional accessible car spaces have been created to offset the loss of accessible car spaces at Sunshine and Albion stations
- To reduce congestion and impacts on local roads, please consider whether active transport options such as walking or riding and alternative public transport including buses are suitable for you.

When

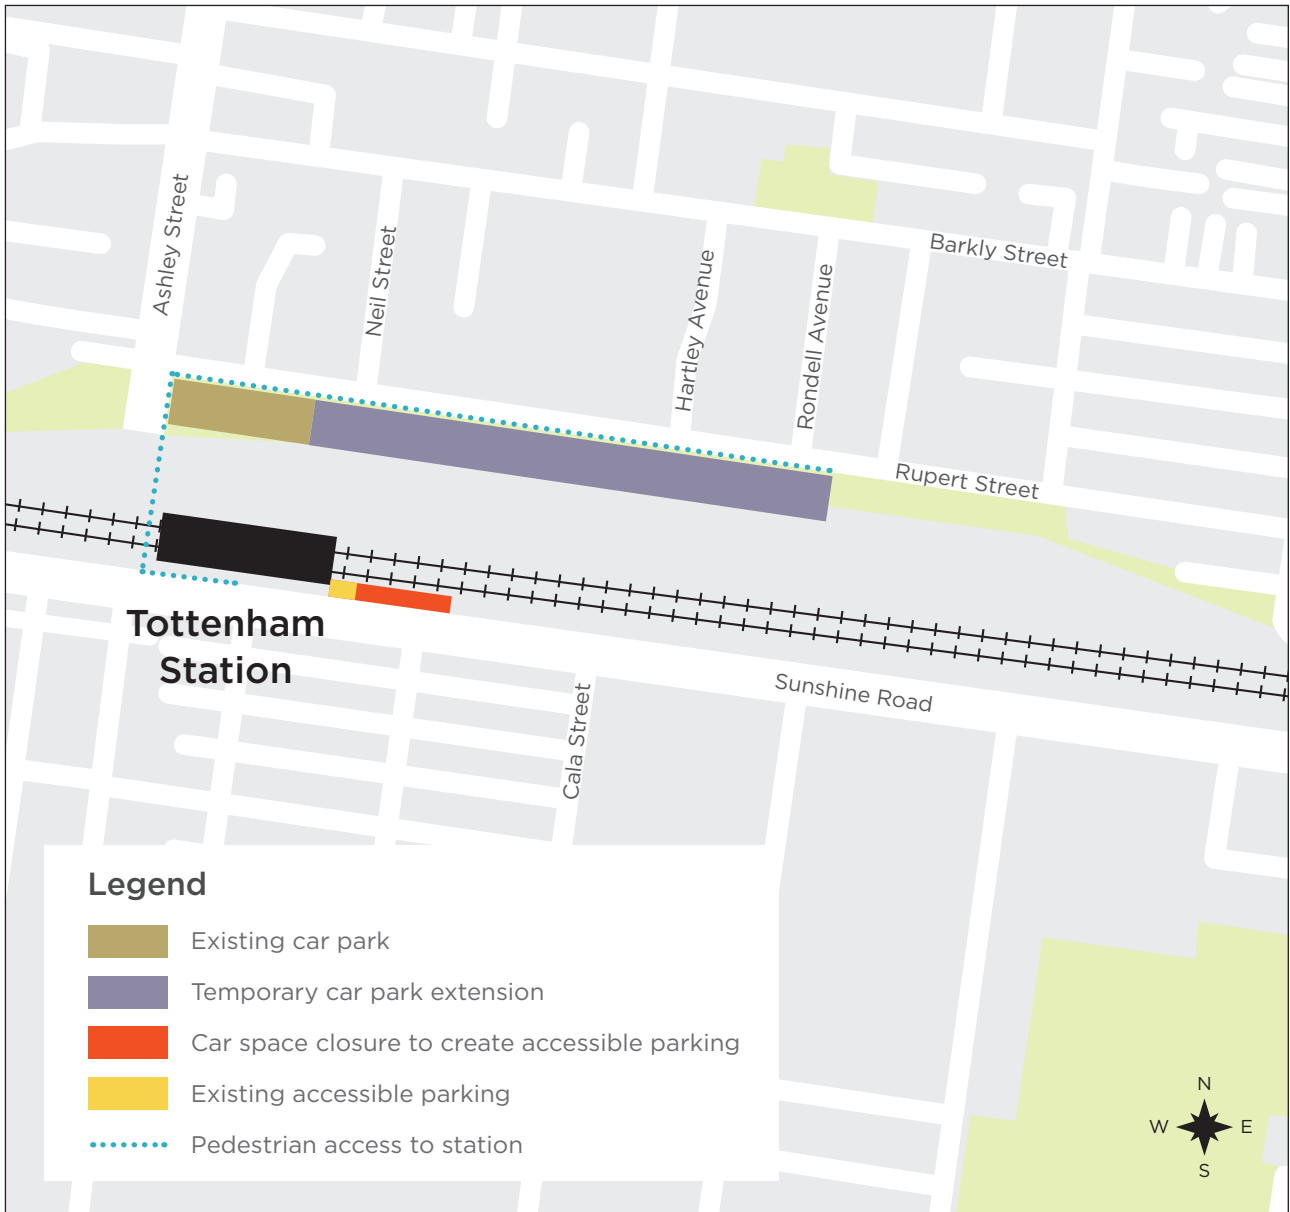

Sunshine Road

- Friday 31 March to Thursday 6 April 2023
- 7am - 5pm, Monday to Friday
- 7am - 1pm, Saturday.
