Works happening in your area

Box Hill | January - February 2024

Works are underway in Box Hill to deliver SRL East for Melbourne and Victoria.

We're continuing site establishment and utility relocation works as we make way for major construction for SRL East.

These works will be carried out from **Monday 8 January for approximately eight weeks.**

These works will be undertaken during both day-time and night-time working hours.

Day-time working hours

7am - 6pm, Monday to Sunday

Night-time working hours

6pm - 7am, Monday to Sunday

WHITEHORSE ROAD LINEAR RESERVE

- Utility relocation works
- Demolition of structures
- Landscaping and earthworks
- Public lighting installation
- Tree removals
- 24-hour works will be required at times.

WHITEHORSE ROAD, BETWEEN NELSON ROAD AND KANGERONG ROAD

- Kerb and pavement works
- Utility relocation works
- Signage installation
- Lane and overnight road closures.

STATION STREET, BETWEEN ELLAND AVENUE AND BANK STREET

- Signage installation
- Lane and car park closures.

THE NEW 109-TRAM TERMINUS IS OPEN

During some stages of the works, the pedestrian crossing at Market Street will be closed. Signage will direct passengers to the 109-tram terminus from the north side of Whitehorse Road.

Noise impacts

As with all major infrastructure projects, surrounding communities may experience some impacts during construction.

Please contact us on **1800 105 105** to discuss support available if you are impacted by our works.

How we will manage our works

We will minimise impacts to the community by:

- Where possible, keeping Whitehorse Road open in both directions on Friday and Saturday nights
- Using noise blankets and fencing where possible
- Turning off equipment when not in use
- Applying water during cutting and drilling.

Future works

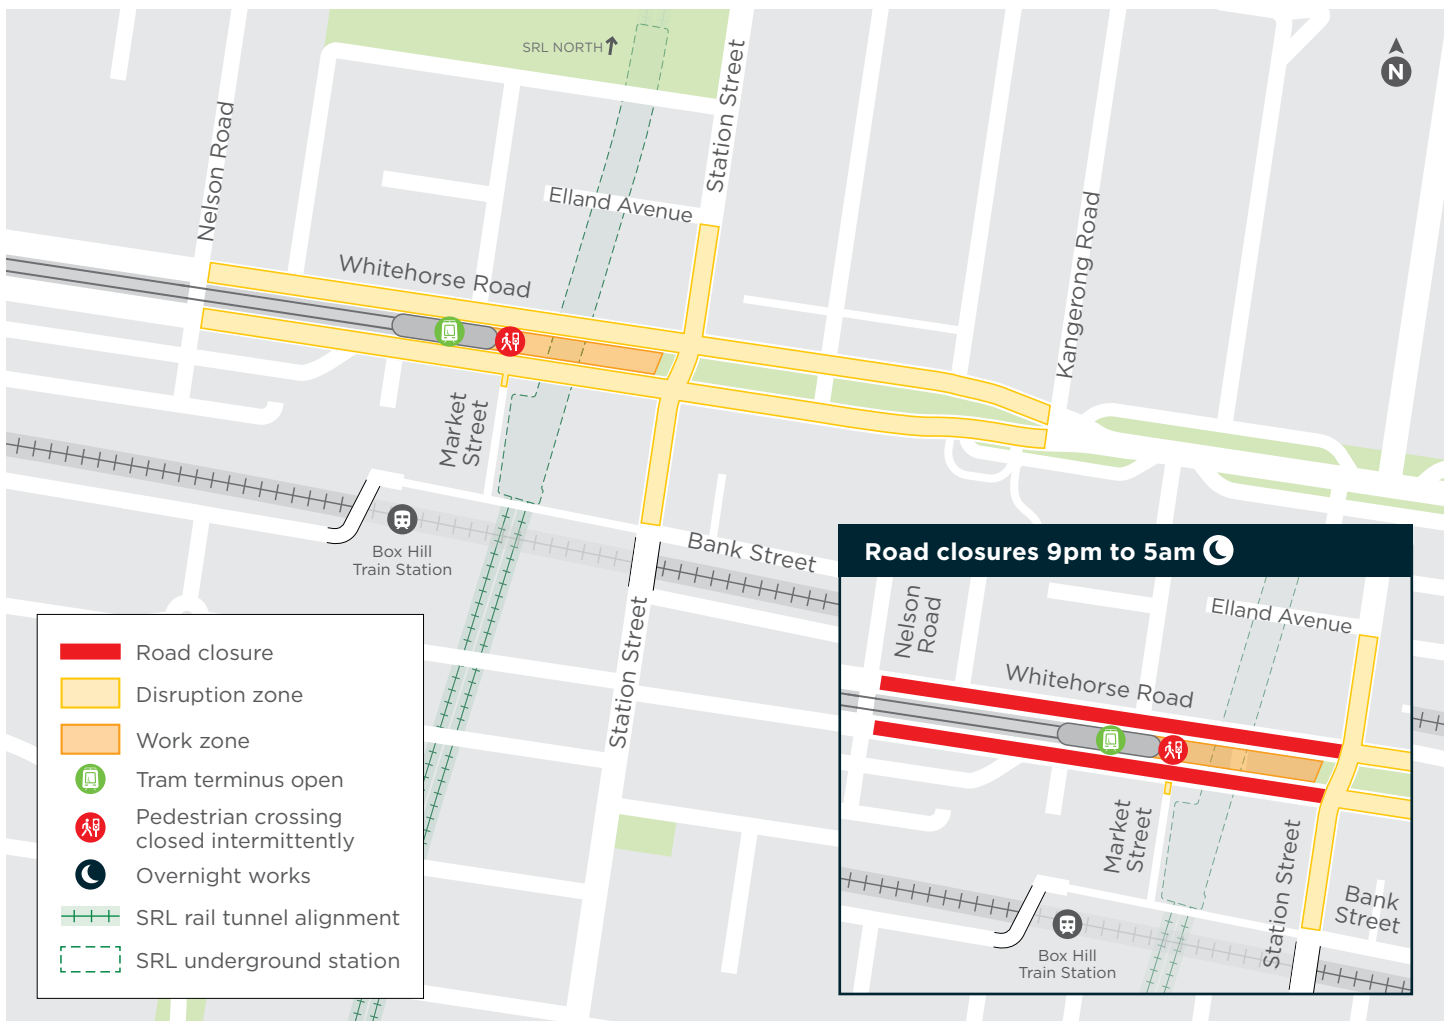

We will build a temporary bridge on Whitehorse Road to keep traffic moving throughout construction. We will provide further details of these works over coming months.

Please scan the QR code for more information.

Traffic changes

Traffic changes are needed to complete these works. Vehicle and pedestrian access to homes and businesses will be maintained at all times with help from traffic controllers when required.
