

# Works Notification

## Works happening in your area

Cheltenham | Early-April 2024

Works are continuing in Cheltenham to deliver Suburban Rail Loop (SRL) East for Melbourne and Victoria.

SRL East from Cheltenham to Box Hill will connect major employment, health, education and retail destinations in Melbourne's east and south east. It will also open up new housing options and greater choice.

The new underground station at Cheltenham will be the southern gateway to the SRL East network.

We are establishing the site at the Sir William Fry Reserve southern carpark. This will involve setting up temporary site facilities for project staff.

These works will be carried out from **early-April for up to three months**.

Works will be undertaken during day-time working hours.

### Day-time working hours

7am - 6pm, Monday to Friday

7am - 1pm, Saturday

### SIR WILLIAM FRY RESERVE CARPARK AND NEPEAN HIGHWAY SERVICE ROAD

**Early-April for up to three months**

- Installation of traffic barriers and fencing around the site
- Installation of temporary site facilities for project staff
- Utility connections to the site facilities
- Minor tree and vegetation removal/trimming
- Earthworks and drainage installation
- Reduced speed limit on Nepean Highway Service Road
- Carpark closures on Nepean Highway Service Road during the day and night.

### SIR WILLIAM FRY RESERVE CARPARK

**Early-April for up to 18 months**

- Closure of the Sir William Fry Reserve southern carpark
- Installation of traffic barriers to create a safe working area.

### How we will manage our works

We will be using equipment that generates medium levels of noise, dust and vibration.

We will minimise impacts to the community by:

- Positioning equipment as far as possible from residents and businesses and turning it off when not in use
- Using water trucks and dust suppressants where required.

### Impacts

As with all major infrastructure projects, surrounding communities may experience some impacts during construction. The project will work with businesses and residents to reduce impacts and provide support when needed.

Please contact us on **1800 105 105** to discuss support available if you are impacted by our works.

### Future works

Relocation of underground services within Sir William Fry Reserve from early-mid 2024.

We will provide further details about what to expect in the coming months.

## Traffic changes

Traffic changes are needed to complete these works. Vehicle and pedestrian access to homes and businesses will be maintained at all times with help from traffic controllers when required.

Please see the table and map below for details of traffic changes in the area.

Dates	Travel change
Early-April 2024 for up to three months	<ul style="list-style-type: none"> <li>— Reduced speed limit on Nepean Highway Service Road</li> <li>— Up to 50 carparks closed on Nepean Highway Service Road during the day and night. Western carparks located north of the Sir William Fry Reserve southern carpark will remain open.</li> <li>— Footpath closed in Sir William Fry Reserve. Minor detour in place</li> </ul>
Early-April 2024 for up to 18 months	<ul style="list-style-type: none"> <li>— Closure of the Sir William Fry Reserve southern carpark</li> </ul>

**Thank you for your patience and cooperation as we progress the delivery of SRL East and a new underground station at Cheltenham**

To receive SRL East works reminders via **SMS** simply text **CHELTHENHAM** to **0429 469 592**
