

Heatherton and Clarinda works update

September

Works are underway in Heatherton to prepare for tunnelling to begin in 2026 and future construction of the Stabling Facility.

Current works include:

- Site establishment to set up a site compound and prepare for construction of the western tunnel entrance
- Preparing to build a vehicle access point into the Stabling Facility from Kingston Road
- Moving underground and above ground services
- Construction of the eastern tunnel entrance to support tunnelling activities and allow trains to exit and enter the tunnel once operational
- Locating underground services, soil and geotechnical investigations to prepare for future construction activities
- Construction of the Stabling Network Support Facility to provide power during construction and operation of Suburban Rail Loop East.

Please follow traffic signage and detours in place whilst these works are occurring.

Upcoming community information session

A drop-in community information session will be held at Clarinda Community Centre, 58 Viney Street, Clarinda on Wednesday 18 September from 4pm to 7pm. Please scan the QR code for more information.

Heatherton road closures

Heatherton day and night works

Impacts

As with all major infrastructure projects, surrounding communities may experience some impacts during construction. The Project supports businesses and residents to continue to live, work, study and shop in their community.

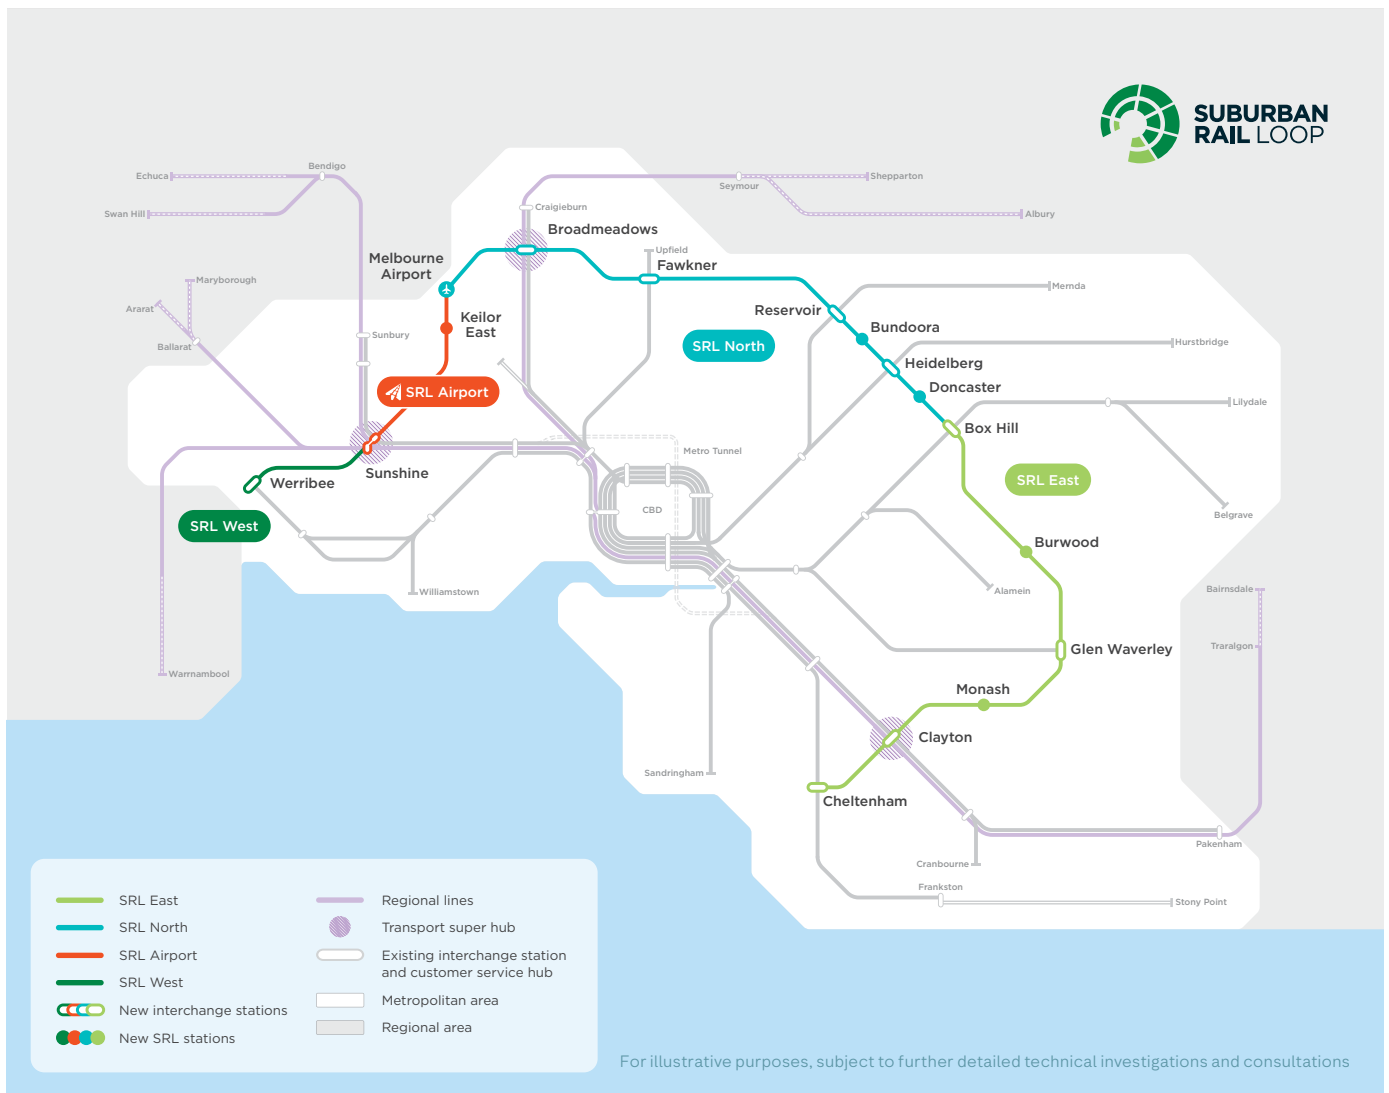

Please contact us on **1800 105 105** to discuss support available if you are impacted by our works.

How we will manage our works

We will minimise impacts to the community by:

- Transporting materials from site in covered trucks to minimise dust
- Removing hazardous materials in accordance with EPA regulations
- Scheduling works to reduce impacts
- Maintaining access to homes and businesses
- Monitoring noise, dust and vibration levels
- Minimising light to businesses and residents
- Turning off equipment when not in use
- Using noise blankets on equipment
- Using water and dust suppressants.

Thank you for your patience and cooperation as we progress the delivery of SRL East at Heatherton.

To receive SRL East works reminders via SMS text **HEATHERTON** to **0429 469 592**
