

# Works notice

## Activities and exercises day at Anzac Station

### St Kilda Road, Melbourne

Tuesday 22 April 2025

Activities and exercises involving emergency services will take place at Anzac Station as part of getting the Metro Tunnel ready for operations.

#### When we'll be working

- We'll be working from **7am to 5pm on Tuesday 22 April 2025**.

#### What we'll be doing

- Conducting exercises inside the station and tunnels
- Carrying equipment in and out of the station, including emergency services equipment such as stretchers and firefighting equipment
- Parking emergency service vehicles including fire trucks, ambulance vehicles and police vehicles and other marked vehicles in parking bays around Anzac Station.

#### What to be aware of

- At times, there may be low levels of noise associated with these activities and exercises
- Emergency services vehicles will be parked in some parking bays around Anzac Station from 7am to 5pm including on:
  - Domain Road between St Kilda Road and Dallas Brooks Drive
  - Albert Road between St Kilda Road and Albert Road south
  - St Kilda Road between Bowen Lane and Albert Road south.

Please see map for more details.

- At times during the day, equipment may be dropped off and picked up from around the station
- At times during the day, you may see firefighters, police, SES or paramedics moving in and around the station
- There will be no testing of alarms
- There will be no changes to tram services or traffic.

#### Where

- Inside Anzac Station, St Kilda Road, Melbourne.

If you have any questions or concerns, please contact the Metro Tunnel Project information line on **1800 105 105**. Further information on Anzac Station works can be found at [metrotunnel.vic.gov.au](http://metrotunnel.vic.gov.au)

#### Getting the Metro Tunnel ready for operations

The Metro Tunnel has entered the final phase of the project called Trial Operations. Trial Operations are 'dress rehearsals' where station staff, operators, maintenance staff and even first responders rehearse ahead of the Metro Tunnel opening.

Activities and exercises like these taking place on Tuesday 22 April provide emergency services and their partners a unique opportunity to familiarise themselves with the tunnel and important station facilities.
