

Works notice

Activities and exercises day at Arden Station

Laurens Street, North Melbourne

Wednesday 23 April 2025

Activities and exercises involving emergency services will take place at Arden Station as part of the Metro Tunnel Project's trial operations.

When we'll be working

- We'll be working from **7am to 5pm on Wednesday 23 April 2025.**

What we'll be doing

- Conducting exercises inside the station and tunnels
- Carrying equipment in and out of the station, including emergency services equipment such as stretchers and firefighting equipment
- Parking emergency service vehicles including fire trucks, ambulance, police and other marked vehicles within the Arden Station site.

What to be aware of

- At times, there may be low levels of noise associated with these activities and exercises
- Emergency vehicles will be parked within the Arden Station site
- At times during the day, you may see firefighters, police, SES or paramedics moving in and around the station
- There will be no testing of alarms
- There will be no changes to traffic.

Where

- Inside Arden Station, Laurens Street, North Melbourne.

If you have any questions or concerns, please contact the Metro Tunnel Project information line on **1800 105 105**. Further information on Arden Station works can be found at metrotunnel.vic.gov.au

Getting the Metro Tunnel ready for operations

The Metro Tunnel has entered the final phase of the project called trial operations. Trial operations are 'dress rehearsals' where station staff, operators, maintenance staff and even first responders rehearse ahead of the Metro Tunnel opening.

Activities and exercises like these taking place on Wednesday 23 April provide emergency services and their partners with a unique opportunity to familiarise themselves with the tunnel and important station facilities.
