## THOMPSONS ROAD AND BERWICK-CRANBOURNE ROAD INTERSECTION UPGRADE

MAY 2025

In July, we'll start early works to upgrade the intersection of Thompson Road and Berwick-Cranbourne Road in Clyde North.

We'll be replacing the roundabout with traffic lights which will help reduce travel times, improve safety and cater for the area's rapidly growing population.

In June, we'll start building our temporary site compound on the northeast corner of the intersection. This is where our crew of up to 30 workers will be based while we build the new intersection. We'll also use this area to store construction materials and machinery.

To minimise disruption, we'll build our site compound as far away from nearby properties as possible, and enter and exit via Thompsons Road. See map overpage.

**BIG BUILD  
ROADS**

The intersection upgrade aims to:

Improve safety by reducing conflicting vehicle movements

Increase the capacity of the intersection

Make walking and cycling at the intersection a safer and more attractive option

Reduce travel times and improve reliability

## Investing in Melbourne's south east

The Thompsons Road and Berwick-Cranbourne Road Intersection Upgrade builds on other Victorian Big Build projects recently completed or underway in the south east, including the Clyde Road, Narre Warren-Cranbourne Road, Thompsons Road, Western Port Highway, Hall Road and Lathams Road upgrades.

Together these projects are transforming Melbourne's rapidly expanding south east region, providing better road connections and faster travel times to residential, industrial, education and health precincts.

## Project timeline

- ✓ **2023**  
Community and business consultation to inform business case
- ✓ **2024**  
Engagement to seek feedback on the intersection upgrade's scope and design
- ✓ **Early 2025**  
Planning completed
- **June 2025**  
Site compound established
- **July 2025**  
Early works start
- **Late 2025**  
Major works start
- **Mid-2027**  
Project completed

## Pop-up information event

Keen to learn more about the project? Drop by our pop-up event to meet the team and have your questions answered.

**When:** Tuesday 17 June, 2pm to 4pm

**Where:** Outside Aldi, corner Berwick-Cranbourne Road, Hamersley Drive, Clyde North

## Receive project updates and disruption alerts!

The fastest way to receive project and disruption updates is to text **TBCR** to **0499 073 073**.
