

# Upcoming works

Box Hill North, Blackburn North,  
Doncaster, Doncaster East,  
Donvale & Nunawading

Works Notification

August / September 2025

**BIG BUILD**

**EASTERN FREEWAY**

We're upgrading the Eastern Freeway with new express lanes, new Eastern Busway, smart technology and a connection to North East Link – slashing travel times and improving travel in Melbourne's east.

## What we're doing

We're rolling out traffic barriers between Tram Road and Middleborough Road to safely separate work areas from motorists. We'll work at night to keep traffic moving freely during the day.

We're also continuing site investigations along the Eastern Freeway and in surrounding areas between Tram Road and Springvale Road to further inform our design, planning and construction staging.

## When are we working?

● **Day works** 7am to 6pm Monday to Friday and 7am to 1pm Saturdays

● **Night works** 7pm to 6am at times Monday to Friday

Schedule is subject to change.

Visit [bigbuild.vic.gov.au/roads](https://bigbuild.vic.gov.au/roads) for schedule changes.

## Keeping you up to date

We'll be out talking to nearby residents and businesses about these works in more detail, including how we'll manage any local impacts.

## Get in contact

If you have any questions, please contact the 24/7 Contact Centre on **1800 105 105** or to sign up to our email and SMS updates, visit [bigbuild.vic.gov.au/projects/roads/email-and-sms-update](https://bigbuild.vic.gov.au/projects/roads/email-and-sms-update)

## Traffic changes

From September 2025, speed limits on the freeway will reduce to 80km/h between Tram Road and Middleborough Road as we work safely behind barriers. The reduced speed limit will be extended to Springvale Road later this year and will be in place until works are complete in 2028.
