## WORKS REMINDER

### Upgrading Williamstown Road, under the West Gate Freeway

Further to our previous notification on 30 April 2018, *Works notification: Ongoing works at Williamstown Road / West Gate Freeway interchange – reference WES1804.01*, we wish to advise of ongoing night works around Williamstown Road between the entry and exit ramps.

#### Where

- Williamstown Road interchange, as well as on the West Gate Freeway between the entry and exit ramps – see map over page

#### When

- Works will continue from 12 June 2018, 9pm - 5am, nightly.
- While night works will continue for several months, more information on what to expect in the next six weeks is provided below.

#### Construction activity scheduled for the next six weeks will include:

- utility service identification;
- vegetation and tree removal;
- traffic signal modifications;
- modifications to existing freeway ramp signals and CCTV;
- relocation of existing incident management boom gates;
- removing traffic islands and installing temporary ones;
- earthworks, including removing dirt and drainage installation;
- excavating portions of the road which requires rock breaking;
- reinstating the road surface once works are completed;
- asphalt construction and kerbing works; and
- general construction.

#### What to be aware of:

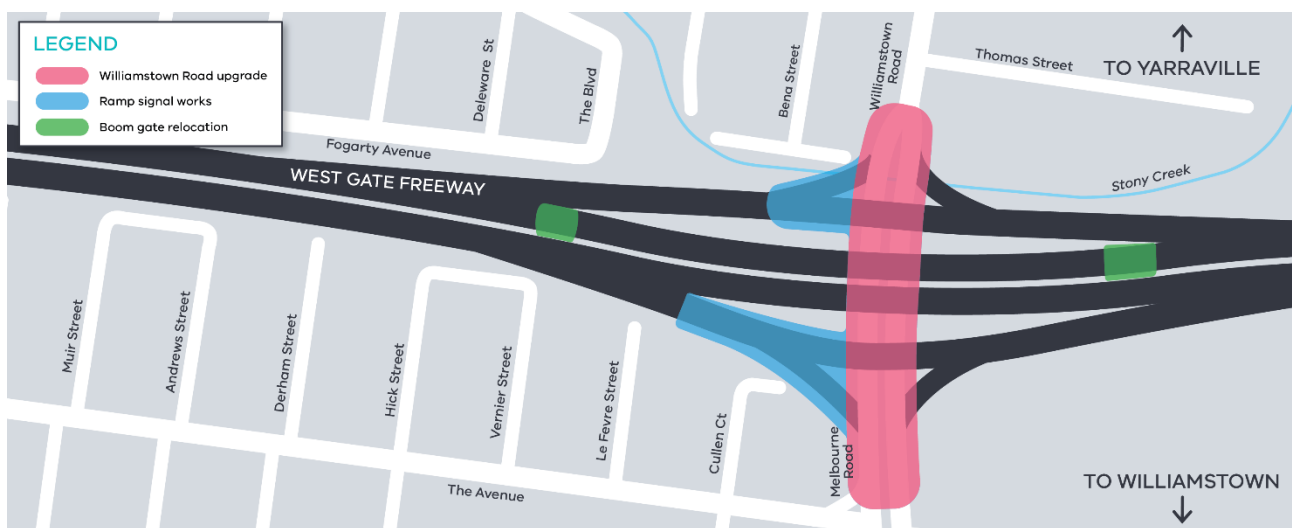

- equipment used for these works include chain saws and mulchers, rock hammers, road saws and rattle guns, resulting in periods of increased construction noise;
- work crews will aim to complete high noise activity first to minimise impact to the surrounding community;
- we will try to complete these works ahead of schedule;
- we will monitor noise levels and take action to reduce noise as much as possible;

- construction vehicles including excavators, tandem trucks and cranes will be moving in and out of the work areas;
- road plates will be placed over trenched areas at the end of each shift to make it safe for the road to be open to traffic; and
- traffic changes including lane, road and ramp closures will be required - latest traffic updates are available at [westgatetunnelproject.vic.gov.au](http://westgatetunnelproject.vic.gov.au)

**Please note that works may be rescheduled in the event of bad weather or other unavoidable circumstances.**
