

Works Notification

Works happening in your area

Clayton | March 2024

Works are underway in Clayton to deliver Suburban Rail Loop (SRL) East for Melbourne and Victoria.

We're moving underground services on Haughton Road, Carinish Road, Link Road and Clayton Road.

These works will be carried out in stages and are required to prepare for major construction activities.

Works will include:

- Set up of traffic management including barriers and fencing
- Removal of some trees and vegetation
- Excavation of trenches and pits
- Installation of service pipes.

Works will begin from **early March for up to three months.**

These works will be undertaken during day-time and night-time working hours.

Day-time working hours

7am - 6pm, Monday - Friday
7am - 1pm, Saturday

Night-time working hours

6pm - 7am, Monday - Sunday

**HAUGHTON ROAD, LINK ROAD, CARINISH ROAD
(WEST OF CLAYTON ROAD), CLAYTON ROAD
(NORTH OF HAUGHTON ROAD)**

- Site investigations
- Moving services including trenching and drilling
- Tree and vegetation removal.

How we will manage our works

We will minimise impacts to the community by:

- Monitoring air quality
- Using water trucks and dust suppressants where required
- Covering truck loads when transporting materials from site to minimise dust
- Positioning equipment as far as possible from residents and businesses and turning it off when not in use.

Impacts

As with all major infrastructure projects, surrounding communities may experience some impacts during construction. The project will work with businesses and residents to reduce impacts and provide support when needed.

Please contact us on **1800 105 105** to discuss support available if you are impacted by our work.

Traffic changes

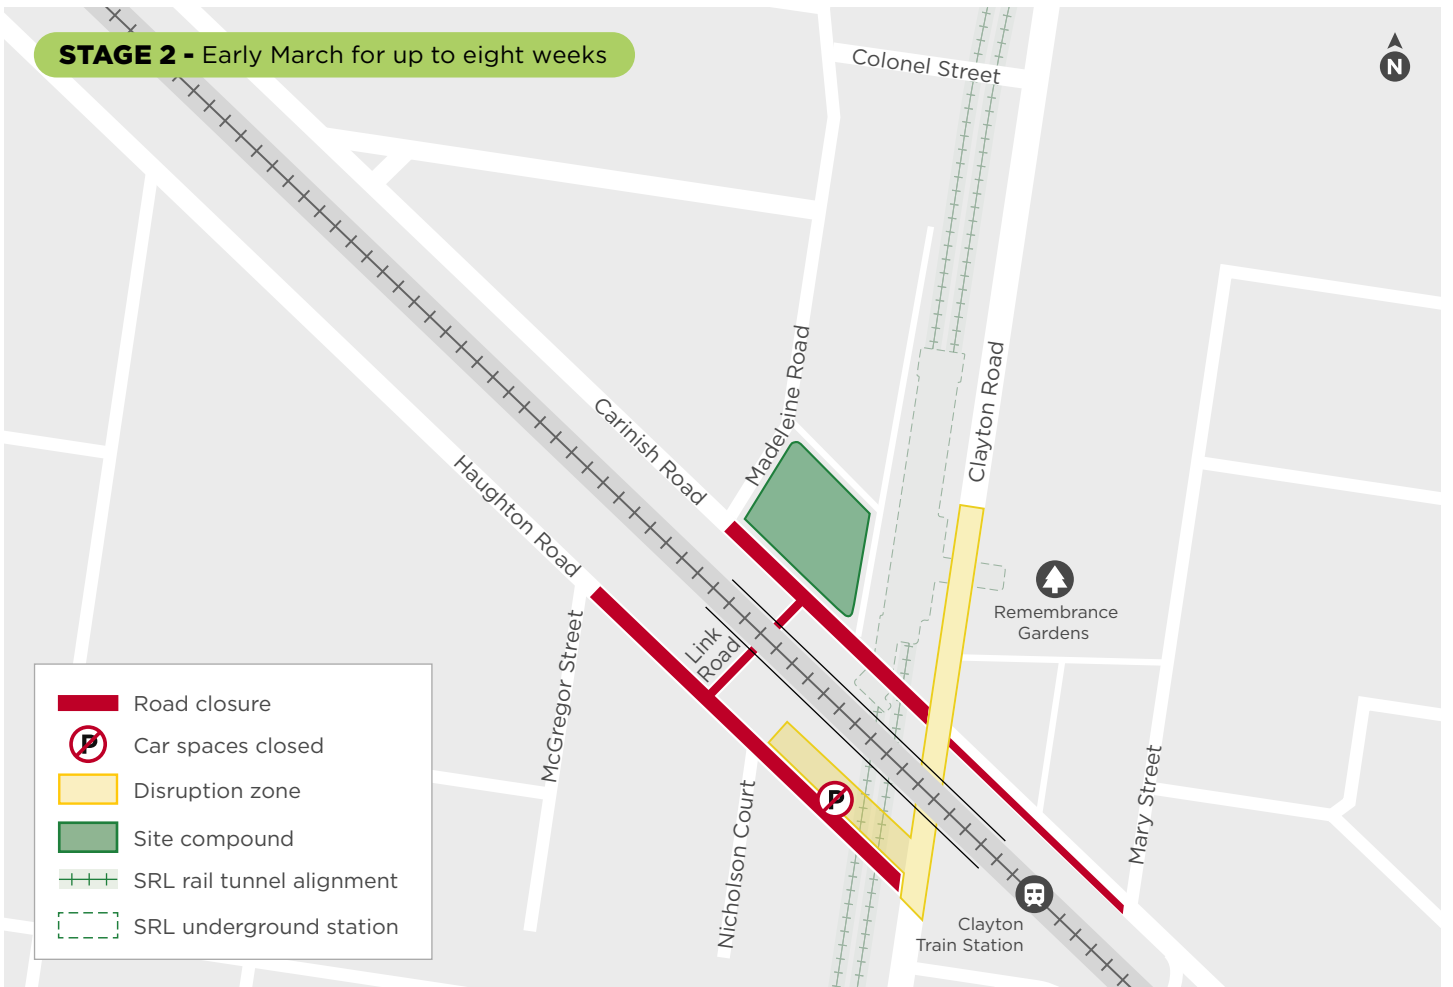

Traffic changes are needed to complete these works. Vehicle and pedestrian access to homes and businesses will be maintained at all times with help from traffic controllers when required. Traffic changes including lane closures and road closures will be staged throughout works to minimise the level of disruption to traffic in the area.
