

# Heatherton and Clarinda works update

## December and January

Works are underway in Heatherton and Clarinda to deliver Suburban Rail Loop (SRL) East for Melbourne and Victoria.

We are building a Stabling Facility in Heatherton and preparing to launch Tunnel Boring Machines (TBMs) from Clarinda. Upcoming works at these sites are summarised below:

### Stabling Facility in Heatherton

- Building the Eastern Tunnel Entrance (ETE) and Western Tunnel Entrance (WTE)
- Building a permanent Network Support Facility (NSF) for construction and operational power
- Moving underground and above ground services
- Building a heavy vehicle access point into the Stabling Facility from Kingston Road.

### Clarinda

- Site investigations, site establishment and building a temporary power supply facility to power the TBMs
- Building the Clarinda Tunnel Access Structures (TAS).

### What we are doing

-  **Day works** 7am – 6pm Monday to Friday and 7am – 1pm Saturday
-  **Night works** 6pm – 7am Monday to Friday
-  **Extended works** 6pm – 10pm Monday to Friday, 1pm – 5pm Saturday and Sunday. 24-hour works at times until late-December and from mid-January 2025.

## Impacts

As with all major infrastructure projects, surrounding communities may experience some impacts during construction. The Project supports businesses and residents to continue to live, work, study and shop in their community.

Please contact us on **1800 105 105** to discuss support available if you are impacted by our works.

## How we will manage our works

We will minimise impacts to the community by:

- Transporting materials from site in covered trucks to minimise dust
- Safely removing hazardous materials in accordance with EPA regulations
- Scheduling works to reduce impacts
- Maintaining access to homes and businesses
- Monitoring noise, dust and vibration levels
- Minimising light spill
- Turning off equipment when not in use
- Using noise blankets on equipment
- Using water and dust suppressants.

Thank you for your patience and cooperation as we progress the delivery of SRL East at Heatherton and Clarinda.
