VICTORIA'S BIG BUILD

Further to the June Construction Update, we wish to inform you, as part of the Metro Tunnel Project, there will be day works in the rail corridor near Bakehouse Road on Saturday 26 July.

When we'll be working

We'll be working from **7am to 7pm** on **Saturday 26 July 2025**.

The timing of work may change depending on weather.

What we'll be doing

As part of ongoing tie-station construction, investigation works will be undertaken in the rail corridor on Bakehouse Road.

These works require the use of a non-destructive digging truck and are expected to generate medium levels of noise with intermittent periods of high noise levels.

To ensure the safety of passengers and our workers, these activities can only be performed safely when trains are not operating.
