What we'll be doing

- Disconnecting the redundant watermain by cutting and sealing the pipe and reinstating the section of road.

- On Wednesday 17 September, there will be a partial closure of the Laurens Street northbound lane and vehicle access will be fully maintained via the southbound lane
- On Thursday 18 September, Queensberry Street will close between Laurens Street and Munster Terrace for up to two hours and the Laurens Street southbound lane will be partially closed
- Traffic management will be on site to manage the closure and local access to local building and businesses will be maintained
- There will be no impact to local water supply during these works
