

Removal of Relocatable Equipment Building

Rayhur Street, Clayton South

Tuesday 16 September 2025

Relocatable Equipment Building (REB) removal requiring the closure of Rayhur Street between First and Third streets.

When we'll be working

- These works will take place during the day on **Tuesday 16 September** between **7am to 6pm**

Please note works may be rescheduled due to inclement weather.

REB

Relocatable Equipment Building (REB)

An REB is a single storey building that houses rail service equipment to help power bigger, more modern trains.

What we'll be doing

- We are removing a Relocatable Equipment Building (REB) as it is no longer required for Metro Tunnel Project works
- Setting up a crane on Rayhur Street
- Using hand tools to prepare the REB for removal
- Using the crane to load the REB onto an oversized trailer
- Removal of the crane.

What to be aware of

- Rayhur Street will be closed to through traffic and pedestrians between First and Third streets with a detour in place via Tippet Street
- Second Street will be closed to through traffic between Rayhur and Tippet streets with detours in place via First and Third streets
- Pedestrian access along Second Street will be maintained, including the pedestrian rail crossing at Rayhur Street, under the direction of traffic control
- Access to residential properties along Rayhur Street between First and Second streets will be maintained from First Street under the direction of traffic control
- Access to residential properties along Rayhur Street between Second and Third streets will be maintained from Third Street under the direction of traffic control
- These works will produce medium levels of noise.

Thank you for your patience while we undertake these works.
