

# Works notice

## Tourello Loop signalling works

**Works are continuing to re-establish a passing loop at Tourello, creating an important passing point for passenger and freight trains as part of the Murray Basin Rail Project.**

### What we're doing

Works in Clunes and Creswick include:

- Testing new signalling equipment
- Generators will be required to run **24 hours a day from Monday 15 September to Friday 28 September** to provide temporary power to test this new signalling equipment.

### What to be aware of

There may be additional noise during this time.

### How we're minimising impacts

#### Noise

We monitor noise levels to ensure they are within the Environment Protection Authority (EPA) noise control guidelines.

### Keeping you informed

To find out more about the Murray Basin Rail Project, please visit [bigbuild.vic.gov.au/projects/murray-basin-rail-project](https://bigbuild.vic.gov.au/projects/murray-basin-rail-project)

You can call **1800 105 105** (24 hours a day, 7 days a week) for more information.
