

Works notice

Road closure

A'Beckett Street

From 20– 24 October

We are re-asphalting A'Beckett Street from Monday 20 to Friday 24 October 2025.

When we'll be working

- 24h from 6pm Monday 20 October to 7am Friday 24 October (or until the works are complete)
- There will be no vehicle access to A'Beckett Street during these works

The timing of work may change depending on weather.

What we'll be doing

- Closing the road and setting up the work site
- Removing the existing road surface
- Laying asphalt to form the new road surface
- Line marking the new road surface.

What to be aware of

- Road works are required to rebuild A'Beckett Street to its final configuration
- A'Beckett Street will be closed between Elizabeth and Swanston streets from **6pm Monday 20 October to 7am Friday 24 October**
- These works include profiling, asphaltting and line marking which may produce medium to high levels of noise and some vibrations
- Where possible, noisy works will take place in the daytime
- No vehicles will be able to access A'Beckett Street between Elizabeth and Swanston streets including for deliveries and waste collection
- Please contact the Metro Tunnel Project Team on **cyp@metrotunnelcyp-dc.com.au** or **1800 105 105** if you are a resident or business owner and require alternative parking during these works

- Cyclists will be required to dismount and use the footpath during these works
- There will be no on street parking available on A'Beckett Street between Elizabeth and Swanston streets during these works
- During these works, pedestrians can only cross A'Beckett Street at the dedicated pedestrian crossing at Elizabeth Street
- Access to buildings in Stewart Street will be maintained via Franklin Street, with a two-way traffic arrangement under the direction of traffic control
- A'Beckett Street will be accessible from Swanston Street upon completion of these works (refer to map)
- Pedestrian access to businesses and residential buildings will be maintained at all times.

We appreciate your patience while we undertake these works. If you have any questions or concerns, please contact the Metro Tunnel Project information line on **1800 105 105**.
