Impacts

As with all major infrastructure projects, surrounding communities may experience some impacts during construction. Please contact us on **1800 105 105** to discuss support available if you are impacted by our works.

How we will manage our works

We will minimise impacts to the community by:

- Installing road safety and detour signage
- Maintaining access to homes and businesses
- Monitoring noise, dust and vibration levels
- Using noise blankets
- Safely removing hazardous materials in accordance with regulations
- Using water and dust suppressants.
