# ARDEN

- Services building construction is progressing with preparatory works for the façade panel installation underway
- Seven pre-cast brick arches have now been cast, these will be used to construct the station entrance
- Platform works are taking shape in the west box.

# PARKVILLE

- Piling works for the Grattan Street west entrance is ongoing with excavation works expected to commence in May
- Excavation for the eastern tunnel ventilation shaft (TVS) and goods lift are ongoing
- Site establishment for the western TVS are continuing until May.

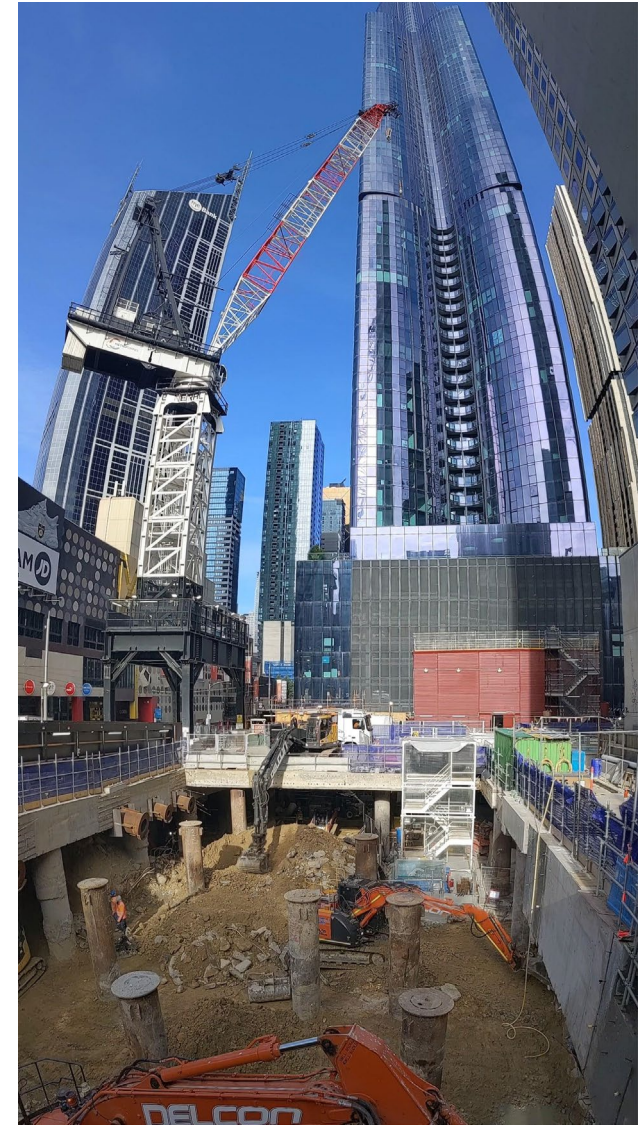

Station box fit out – concourse level

# STATE LIBRARY

- TBM 2 (Meg) broke through into State Library Station on 11 February 2021 and was relaunched in early-April 2021
- Excavation, formwork installation and concrete pours are continuing for the top-down construction of the La Trobe Street and Little La Trobe Street shafts
- Permanent structure and lining works are taking place along the arch of the central cavern. This includes the installation of waterproofing materials, formwork and concrete.
- Central cavern works will be the main focus underground until June-2021.

Top-down construction works at the  
La Trobe Site

# ANZAC

- The tunnelling team is working to strip all of the pipes from the completed tunnel, before they can begin disassembling the TBM and bringing the pieces back to Anzac Station through the tunnel
- The Shrine of Remembrance station entrance roof is complete and is now being backfilled
- The next sections of the station's concourse level are being constructed in the northern and southern ends of the station box.

# TBM TUNNELLING UPDATE

Presenter: Blythe Chidgey

# TUNNELLING IN THE CBD – PROGRESS UPDATE

- Two of the four tunnel boring machines (TBMs) digging the Metro Tunnel have reached their final destination in Melbourne's CBD
- TBM Millie arrived at Town Hall Station, 25 metres beneath Swanston Street, after tunnelling under the Yarra River from the east. TBM Joan arrived soon after, coming from the State Library Station site
- TBMs Alice and Meg will complete their final sections of the Metro Tunnel's twin 9km tunnels in coming weeks. This significant milestone will mark the completion of all TBM digging works for the project
- After all the TBMs have arrived at Town Hall Station they will be dismantled and removed from the site. Roadheaders will then continue digging the rail platform tunnels within the station box.

# RONALD EDWARDS PEPPER FOR YIRRAMBOI

City Square: April 19 – May 24

# RONALD EDWARDS PEPPER FOR YIRRAMBOI

City Square: April 19 – May 24

The grandson of Dulcie (Dolly) Mullet & Watson Pepper, Ronald Edwards Pepper is a proud Gunnai man.

His family moved from Lake Tyers Mission to Morwell in the 1960s.

Since graduating from Federation University with a Bachelor of Visual and Media Arts in 2017, Ronald has completed several commissions and participated in numerous exhibitions, in Australia and overseas.

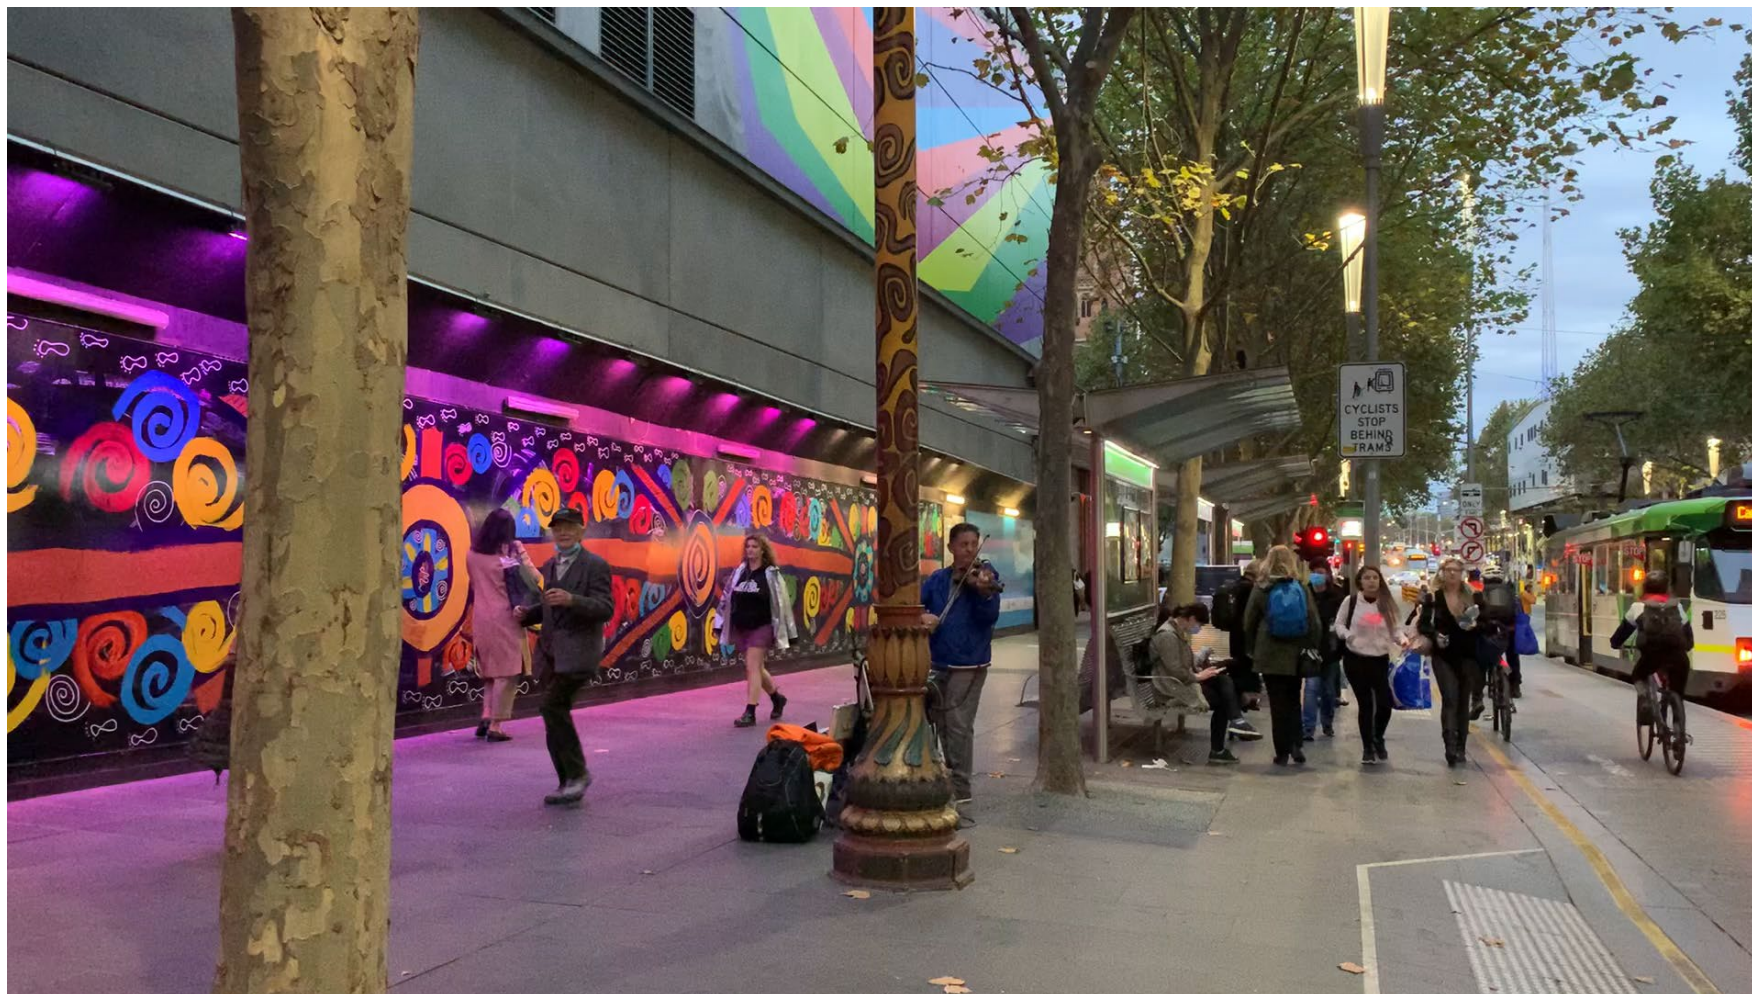

Ronald primarily paints in acrylics on canvas, sometimes incorporating ochre into his work. He also enjoys experimenting with non-traditional materials such as neon and glow in the dark paint.
