

Upcoming day/night works for North East Link

Site investigations at Eastern Freeway and Chandler Highway, Kew

Works are continuing to relocate services to make way for the North East Link. We're investigating the location of several utilities that may need to be relocated underneath the Eastern Freeway.

What we're doing

Electrical service relocation works

Works will involve:

- Using scanners and radars to locate services
- Soil sampling using a drilling rig to take ground samples
- Excavating and non-destructive digging (NDD) to carefully expose underground services and verify their location
- Using high pressure water and a vacuum truck to dig holes, as well as a concrete saw to cut into the pavement.

When and where we'll be working

From **Tuesday 27 July**, day works will take place near the Eastern Freeway and Chandler Highway intersection for **one week** in the road reserve. Night works are also required to minimise traffic impacts as we work on the Eastern Freeway and Chandler Highway.

The eastbound freeway ramp will be closed for two nights while we work on **Sunday 1 August** and **Monday 2 August**.

Day works: **7am to 6pm**, Monday to Friday

Night works: **6pm to 5am**, Sunday to Thursday

What this means for you

During works you may notice:

- Crews working on the Eastern Freeway, Chandler Highway and the freeway reserve
- Reduced speed limits on Chandler Highway
- Crews and large equipment entering site from the Yarra Boulevard and Chandler Highway intersection near Guide Dogs Victoria
- Directional light towers during night works. Light towers will be positioned to shine away from oncoming traffic
- Incremental lane closures and reduced speed limits on the Eastern Freeway at night
- A freeway ramp closure from Chandler Highway heading eastbound for two nights. A detour will be in place directing traffic from Chandler Highway to the Bulleen Road Eastern Freeway ramp.
- Lane closures on the Chandler Highway Eastern Freeway ramp heading westbound
- Noise from machinery.

We appreciate your patience and understanding throughout these works.

Health and safety

The health and safety of our workforce and community remains our top priority. Physical distancing measures are in place as well as increased hygiene practices. For more information about coronavirus (COVID-19) visit coronavirus.vic.gov.au
