Actions to be completed

#	Name	Owner	Action	Status and Update	Group
1	AJ10	WGTP MTIA	WGTP MTIA to invite Department of Transport to provide an update on traffic studies progress in early 2021.	To be closed at meeting 15/7	North and West
2	AJ11	CPBJH JV / Transurban / WGTP MTIA	Project parties will respond to AB in relation to queries about LS Precast at Benalla before the next meeting.	To be closed at meeting 15/7 AB was provided with an email on 3/06/2021	North and West
3	AW15	CPBJH JV	Part 1) CPBJH to provide mud map detailing Paringa Road and Millers Road intersection design work. Note that the map has been provided to all CLG West members. Part 2) Action updated to reflect outcome of the six-week Primula Avenue trial.	Part 1): Map of Paringa Road / Millers Road was provided to CLG members in December 2020. Item can now be closed. Part 2) It has been agreed that traffic loops will be installed at Primula Avenue – these loops will trigger the lights. Subject to DoT approval, it is anticipated these will be installed in September. Item can now be closed.	West
4	AN11	WGTP MTIA	WGTP MTIA to coordinate a meeting with the Department of Transport to discuss mitigating combined noise from rail and road infrastructure at Railway Place, West Melbourne.	To be closed at meeting 15/7 Representatives from WGTP MTIA have convened with the Department of Transport most recently on 2 July. From these discussions DOT have advised that there is no current policy to consider combined affects of accumulative noise from separate transport projects.	North
5	AW14	Transurban / CPBJH JV / WGTP MTIA	Project parties (Transurban, CPBJH and WGTP MTIA) to provide information regarding the decision factors regarding the delivery of superloads via freight verses rail.	CPBJH to provide update during the 15 July meeting.	West

Actions ongoing

#	Name	Owner	Action	Status and Update	Group
6	AN10	WGTP MTIA / Transurban / CPBJH JV	Project parties are requested to provide information with the modelling and data assumptions to demonstrate noise compliance of the Wurundjeri Way extension to residents along Railway Place West Melbourne.	Open / ongoing – Project parties determining what information can be provided and / or if an expert can present to this. Remains open.	North
7	AW13	CPBJH JV	CPBJH JV to provide Stage 2 – Grieve Parade landscape designs with WGTP MTIA to pass on to relevant CLG members once finalised.	Open / ongoing - Project will share these finalised plans with the group when available. No timeframe for this is currently available. For clarity, these plans are part of the off-set tree planting package.	West
8	LW8	CPBJH JV	HBCC requested that Federation Trail in Brooklyn to be added as a factsheet for landscaping.	Open / ongoing - The factsheet will be created once the design package has been finalised.	West
9	AN8	CPBJH JV	CPBJH to confirm total number of trees to be replaced and removed.	Open – CPBJH has confirmed their environment manager will attend the next CLG North meeting, information relevant to all members will be shared following this presentation.	North
