# Spring roadworks campaign

- Works began 17 September and were completed on 8 November
- Original completion date was Monday 18 October, however construction lockdown applied from 20 September to 5 October
- The campaign delivered critical upgrades at Grieve Parade, Williamstown Road and the M80, which are needed to widen the West Gate Freeway from 8 to 12 lanes
- The extensive works required 24/7 closures of a number of inbound and outbound ramps

*Spring blitz works underway near Williamstown Road*

# Traffic switch – Williamstown Road & West Gate Freeway

# Traffic switch – Williamstown Road & West Gate Freeway

# Hyde Street ramps progress

# Works near Stony Creek

Bridge supports for Hyde Street exit ramp are nearing completion

Beams installed for Hyde Street exit ramp

# Shared Path Between Spotswood Station and Yarraville

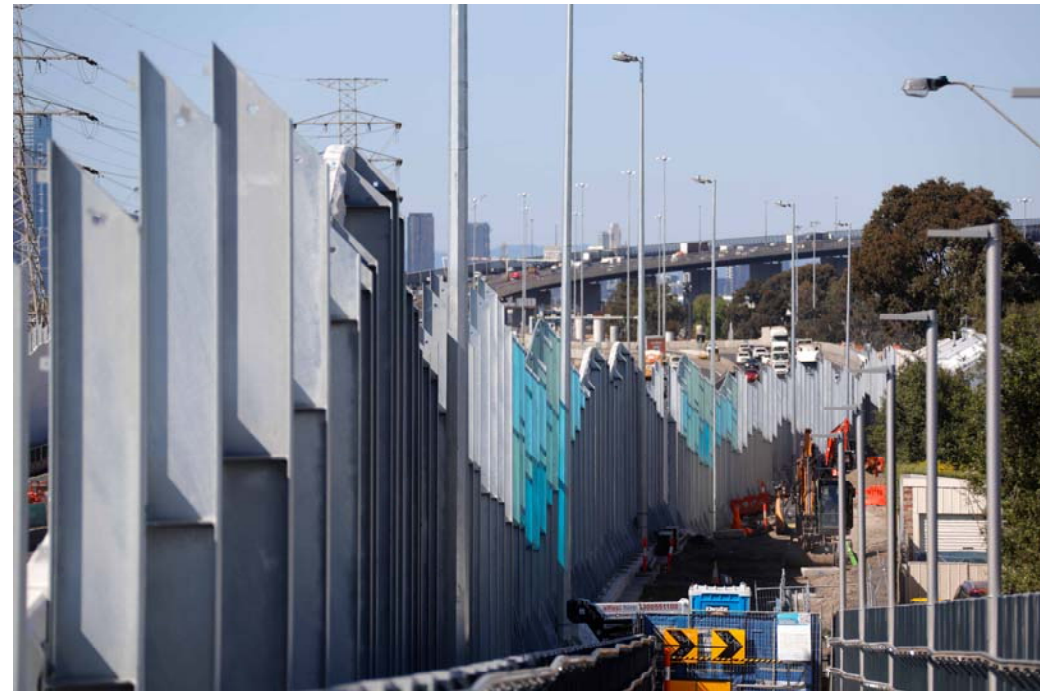

Bridge supports installed for new walking and cycling bridge

# Noise walls

- The noise wall installation program is over two thirds complete
- 2600 concrete noise wall panels and 550 tiles of acrylic panels have been installed

Rosala Pedestrian bridge

Muir Street.

# New walking and cycling path near Yarraville Gardens

Worksite set up on Harris Street near Yarraville Gardens to build new walking and cycling path.  
Artwork on barriers to improve outlook for nearby businesses

# Footscray Road launching gantry

- Construction of the elevated road over Footscray Road is ongoing.
- 30 spans have now been completed and the gantry is heading east towards the city.
- The weight for each segment varies, with many of the first segments lifted weighing between 50 – 105+ tonnes.

FIND AND FOLLOW THIS PROJECT

### What we are building

The West Gate Tunnel Project is a city-shaping project that will deliver a vital alternative to the West Gate Bridge.

It will provide a much needed second river crossing, quicker and safer journeys, and remove thousands of trucks from residential streets.
